THE UNIVERSITY THANKS ITS FRIENDS
FOR THEIR CONTRIBUTIONS

The University owes much of its stature to private gifts. Research, special teaching projects, scholarships, prizes and bursaries have been supported by individual benefactors, alumni, firms, students, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Many alumni contribute annually. During the past year benefactors donated $5,581,787.

A record of those who made gifts in the year ending March 31, 1972, and other information about private support, will be mailed to the donors. Should you wish to receive a copy of this brochure, please write or call the Resources Council.*

This brochure does not include the names of those many donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve Faculties, eight Schools, and seven Institutes, the University's needs are many and varied. Support is welcome in every area of teaching, research, and capital development; and money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take. No gift is too small — and none is too large.

THE UNIVERSITY THANKS ITS FRIENDS FOR THEIR CONTRIBUTIONS

The University owes much of its stature to private gifts. Research, special teaching projects, scholarships, prizes and bursaries have been supported by individual benefactors, alumni, firms, students, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Many alumni contribute annually. During the past year benefactors donated $5,581,787.

A record of those who made gifts in the year ending March 31, 1972, and other information about private support, will be mailed to the donors. Should you wish to receive a copy of this brochure, please write or call the Resources Council.*

This brochure does not include the names of those many donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve Faculties, eight Schools, and seven Institutes, the University's needs are many and varied. Support is welcome in every area of teaching, research, and capital development; and money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take. No gift is too small — and none is too large.

THE UNIVERSITY THANKS ITS FRIENDS
FOR THEIR CONTRIBUTIONS

The University owes much of its stature to private gifts. Research, special teaching projects, scholarships, prizes and bursaries have been supported by individual benefactors, alumni, firms, students, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Many alumni contribute annually. During the past year benefactors donated $5,581,787.

A record of those who made gifts in the year ending March 31, 1972, and other information about private support, will be mailed to the donors. Should you wish to receive a copy of this brochure, please write or call the Resources Council.*

This brochure does not include the names of those many donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve Faculties, eight Schools, and seven Institutes, the University's needs are many and varied. Support is welcome in every area of teaching, research, and capital development; and money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take. No gift is too small — and none is too large.
