ACADEMIC REGALIA

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded.

The regalia vary slightly from one University to another and, within a University, according to the status of the wearer.

At The University of British Columbia the undergraduate’s gown is black and of the ordinary stuff material; the yoke is edged with khaki cord. The Master’s gown is similar but lacks the cord.

The colours for the degrees are:

B.A. — University blue.
B.F.A. — University blue with magenta cord.
B.A.Sc. — Scarlet.
B.Com. — Light grey with black and grey cord.
B.C. — Light grey with white cord.
B.Ed. — White with cord of University blue.
B.H.E. — Turquoise.
M.L.S. — Cadmium yellow.
M.A.S. — University blue with silver and cadmium yellow twisted cord.
M.Bus. — University blue with cord of alizarin crimson.
B.Sc. — Light blue.
B.Arch. — Scarlet with white cord.
D.M.D. — Lilac and red.
D.D. — Blue and gold with blue and yellow chevrons.
B.P.E. — Malachite green.
B.R.E. — Malachite green with gold and green cord.
B.Sc. (AGR.) — Maize.
B.L.A. — Maize with scarlet cord.
B.S.F. — Brown with green cord.
B.S.N. — Scarlet with twisted cord of University blue and white.
B.Sc. (PHARM.) — Dark green with scarlet cord.
B.S.R. — Scarlet and white twisted cord on royal blue.
B.S.W. — Magenta.
L.L.B. — Amethyst violet.
B.M.L.Sc. — White with a twisted cord of scarlet and royal blue.
M.D. — Scarlet and royal blue.
Ph.D. — Blue and gold.
D.M.A. — Royal blue and alizarin crimson with blue and gold chevron.

The Bachelor’s hood is edged with the distinctive colour. The Master’s hood is the same as the Bachelor’s, except that it is lined with the distinctive colour. The hood for the M.Sc. (Bus. Admin.) is similar to that of the M.Sc., with grey trim and black and white cord. The hood for the M.Eng. is similar to that of the M.A.Sc., except that it is trimmed with a cord of University blue.

The regalia of the Ph.D. consist of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel. The regalia of the Ed.D. consist of a gown of similar style but of black stuff, a hood, American style, black with front facing of University blue velvet, fully lined sky blue, with chevron of University blue, white and yellow; a cap, decanal bonnet, of black stuff with gold cord and tassel. The hood for the honorary degree L.L.D. is of scarlet brocaded with dark blue velvet. For the D.Sc. it is lined in dark purple. For the D.Litt. it is lined in cream.

THE UNIVERSITY THANKS ITS FRIENDS
FOR THEIR CONTRIBUTIONS

The University owes much to private benefactors. Research, special teaching projects, scholarships, prizes and bursaries have been supported by individual donors, alumni, firms, students, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, are testimony to the generosity of those who have helped to build the University.

The basic support of the University comes from fees and from the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Alumni contribute over $1,000,000 annually. More than twenty per cent of the capital construction built since 1925 has been provided by donors; students have contributed the remarkable sum of $6.6 million. During the past year benefactors donated more than $15 million.

A record of those who made gifts in the year ending March 31, 1983, and other information about private support will be mailed to the donors. If you wish to receive a copy of this brochure, please write or call the University Development Office which is operated by the UBC Alumni Association.

With twelve faculties, nine schools and ten institutes and research centres, the University's needs are many and varied. Support is welcome in every area of teaching, research and capital development. Money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take.

No gift is too small — and none too large.
