## ACADEMIC REGALIA

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded.

The regalia vary slightly from one University to another and, within a University, according to the status of the wearer.

At The University of British Columbia the undergraduate's gown is black and of the ordinary stuff material; the yoke is edged with khaki cord. The Master's gown is similar but lacks the cord.

The colours for the degrees are:

B.A.—University blue	
B.F.A.—University blue with magenta cord	B.SC.(DIETET.)—Turquoise with gold and white twisted cord
B.A.SC.—Scarlet	B.S.F.—Brown with green cord
B.COM.—Light grey with black and grey cord	B.SC.(FORESTRY)—Brown with blue cord
LIC. ACCT.—Light grey with white cord	B.S.N.—Scarlet with twisted cord of University blue and white
B.ED.—White with cord of University blue	B.SC.(PHARM.)—Dark green with scarlet cord
B.H.E.—Turquoise	B.SC.(O.T.)—Scarlet and white twisted cord on royal blue
B.L.A.—Maize with scarlet cord	B.SC.(P.T.)—Scarlet and white twisted cord on royal blue
M.L.S.—Cadmium yellow	B.S.W.—Magenta
M.A.S.—University blue with silver and cadmium yellow twisted cord	LL.B.—Amethyst violet
B.MUS.—University blue with cord of alizarin crimson	M.D.—Scarlet and royal blue
B.SC.—Light blue	B.M.L.SC.—White with a twisted cord of scarlet and royal blue
B.ARCH.—Scarlet with white cord	M.H.SC.—Scarlet and grey
D.M.D.—Lilac and red	PH.D.—Blue and gold
ED.D.—Blue and gold with blue, white and yellow chevrons	D.M.A.—Royal blue and alizarin crimson with blue and gold chevron
B.P.E.—Malachite green	
B.R.E.—Malachite green with gold and green cord	
B.SC.(AGR.)—Maize	

The Bachelor's hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour. The hood for the M.Sc. (Bus. Admin.) is similar to that of the M.Sc., with grey trim and black and white cord. The hood for the M.Eng. is similar to that of the M.A.Sc., except that it is trimmed with a cord of University blue.

The regalia of the Ph.D. consists of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel. The regalia of the Ed.D. consist of a gown of similar style but of black stuff, a hood, American style, black with front facing of University blue velvet, fully lined sky blue, with chevron of University blue, white and yellow; a cap, decanal bonnet of black stuff with gold cord and tassel. The hood for the honorary degree LL.D. is of scarlet broadcloth lined with dark blue velvet. For the D.Sc. it is lined in dark purple. For the D.Litt. it is lined in cream.

## THE UNIVERSITY THANKS ITS FRIENDS FOR THEIR CONTRIBUTIONS

It is an immense source of pride for the University to know that an increasing number of its alumni and friends realize the important role private gifts play in the life of an educational institution.

The basic support for the University comes from fees and from the Province of British Columbia and the Government of Canada. Nevertheless, there are important areas not covered by such funding, creating opportunities to enrich the University through private donations. Alumni and friends are playing a more important role than ever in supplementing government support to build a greater UBC.

In 1989, UBC launched The UBC Campaign, A World of Opportunity. As of March 20, more than \$44 million had been pledged towards the \$132 million campaign goal. All private gifts to a total of \$66 million will be fully matched by the B.C. Government.

In addition to Campaign gifts, more than \$10 million was contributed in 1989 through the annual giving programme of the University. This support provides scholarships for deserving students, fellowships for graduate scholars, research grants, support for library acquisitions, essential teaching and research equipment and meets a variety of other University needs.

With twelve faculties, including more than eighty departments, nine schools, and ten institutes and research centres, the opportunities are many and varied. We have an excellent faculty and strong academic programmes on which to build.

The University wishes to express its appreciation to those who through their gifts have demonstrated their commitment to the ideals of the University and their awareness of its needs. Your generosity contributes immeasurably to the vitality and strength of UBC.

Be assured that UBC will strive to continue to merit your confidence and support.
