Graduation marks an important stage in every student’s life. It’s a time to stop and reflect, to look back at what you’ve achieved—the many courses and programs you’ve taken, the countless tests and examinations you’ve endured, the triumphs (and sometimes the disappointments) that you have doubtless experienced in the lecture room or the lab. It’s a time also to reflect on the non-academic side of life at UBC: the friends you’ve made, the pains or pleasures of living in dorms, the hours spent debating politics or philosophy or football. Above all, graduation is a time to take stock of what you’ve learned, and to recognize a simple but significant truth: that during the last four or five years you have acquired the skills, knowledge, and training that will enable you to make a strong contribution to our society, whether in civic, professional, or private life.

New decisions now face you. For graduation also marks the moment of transition from apprenticeship into practice, from learning into action; the moment at which you must contemplate your future and choose your direction. Some new graduates, such as those in professional schools like medicine or law, have already made their choice; others have yet to arrive at a firm decision.

Whatever direction you eventually choose, be confident that your UBC education has developed in you the qualities needed to help you achieve your goals—the knowledge that is the foundation of your discipline, the capacity for understanding that comes with critical thinking, and the open mind that accompanies intellectual curiosity and imagination. As long as you build on those fundamental qualities, you will continue to enjoy the kind of success that we celebrate today with your graduation.

Your degree signifies a great accomplishment, the completion of a lengthy and demanding academic program. Now you are ready to move on to the next challenge, whether that lies in further academic studies or in a particular profession. As a graduate of UBC, you have acquired skills, insights, and ideas that will serve you well in the future. You have an understanding of your responsibilities as a citizen of society. I encourage you to become involved, and to offer your ideas and solutions with the confidence that they will be heard and respected.

Whatever your choice of career, be prepared to encounter challenges that call on the expertise and understanding you have developed as a student at UBC. Society will look to you to help eradicate the injustice and poverty suffered by so many around the world. It will depend upon you for solutions to the social, economic, and environmental issues that afflict us all. Your critical and analytical abilities will also come into play as you begin to exercise the responsibilities of global citizenship and move into leadership roles.

I have the utmost confidence that you will succeed, and that whenever you find yourself you will contribute to UBC’s reputation as a great university. My warmest good wishes go with you!

A threshold is a piece of wood or stone placed at the base of a doorway. Opening a door allows you to enter one place and leave another for the starting point of a new experience or way of being, removing a boundary beyond which exists a radically different state of affairs. For the graduating students of the University of British Columbia, today you stand at a new door. You may wonder if you are ready to move through this passage way, and it is my honour to remind you that you are.

If you look behind you — not in distance but in time — you will see another day like this one in your past: the day you arrived and chose this university to forge a new key to your future. Today’s ceremony marks the end of a long and rigorous preparation, and the beginning of all that you have prepared for: service, contribution, responsibility, discovery, dreams made real.

You will have myriad opportunities throughout your life, and perhaps it will seem impossible to make decisions each time choices are presented to you. At those times, remember that you know you can do impossible things, because you have done them, and that every one of those seemingly impossible things presented an opportunity to leave a wish behind in order to make it a reality: rising at dawn to make your way to the field for practice; teaching your first class; speaking your first words in a new language, or your ancestral one; seeing the meeting place between economics and ecology; finding a lifelong friend in a packed lecture hall; writing three exams in a day; singing an aria; trading social time for the study hall again and again. Discovering the world in a single particle. Discovering parts of yourself you didn’t know were there until you were called upon to read, to speak, to speak out, to serve...to change.

And I expect this experience has changed you. I hope so. Whether you knew it or not when you chose this university, you came here to change—your self and your future and all its possibilities. So now you number among the more than 250,000 artists, educators and entrepreneurs, parliamentarians and opera singers, architects, scientists, doctors and journalists who call UBC their alma mater. You have acquired critical tools and professional skills, the ability to develop and communicate your ideas and an understanding of other communities and cultures that will enable you to do even more of what others consider impossible: to seek solutions, to lead the way, to change the future.

I hope you will look on your time here with pleasure, and that you will make UBC a part of your future. You will always be welcome here, and we look forward to hearing about your personal and professional achievements as you build on the foundation provided by your UBC degree.

Before you go, I would ask you to remember for a moment the person you were when you first arrived, and say thank you. You said yes then to a future you could hardly imagine, and today you have arrived at its beginning. Let me thank you, too, for your contribution to UBC, and for all the contributions you will make beyond these doors as a result of your time here.

To the graduating class of 2010, my thanks, and my warmest congratulations!
Musqueam Welcome

On behalf of the Musqueam Indian Band, the Musqueam Band Council welcomes the University of British Columbia’s new graduates, their families and friends to the 2010 Annual Spring Congregation.

We are pleased to honour the graduates and extend our congratulations to each and every one of you. We are especially pleased to extend our welcome and congratulations to the increasing number of First Nations students who visit the university, and our traditional lands, for their education.

The accomplishments and contributions of each individual student build the foundation for their future as well as the future of the university and the larger community. These individual accomplishments reflect the talent and diversity among you. Today, the feeling of pride and accomplishment to accompany the completion of your course of study will add to each student's confidence in moving on to the next endeavor.

The University of British Columbia is situated within the heart of Musqueam Traditional Territory. These lands have always been a place for learning. In previous centuries, what is now the UBC campus was a centre for learning for Musqueam youth, who were instructed in culture, history, and tradition, and who in turn shared their knowledge with a new generation. Belief, knowledge, ritual, technological practices, were all handed down here from generation to generation – just as they are today to students from diverse communities and backgrounds.

Musqueam thanks the University of British Columbia and President Stephen Toope for continuing to recognize these lands and the tradition of learning associated with them as an integral part of the history and well being of the Musqueam community. We also thank UBC for continuing to seek a partnership with Musqueam as co-host for special initiatives and ceremonies.

We are pleased that our lands continue to be a place for learning and sharing. We are supportive of the university’s many programs and initiatives to form partnerships with the Musqueam and other First Nations communities. Education brings us all together, and each of the students convocating today is an inspiration to us all. It is our hope that after graduation you will continue contributing to the university, to our communities, to the well being of society and in doing so you will bring about positive change.

Congratulations to all University of British Columbia 2010 Graduates. We wish you further success for your future.

Description of President’s Stole

The Salish people are well known for being beautiful weavers along the west coast. Their weavings were used for clothing, sitting mats, and gifts. It also indicates wealth; the more blankets and gifts you gave away shows everyone your wealth.

I decided to design and weave the stole for the sole purpose in sharing the importance and wealth of the Salish people here at Musqueam. It’s now a gift for the President and the students at UBC to share with each other. I hope it also relays the significance of sharing amongst each other.

The white sheep wool shows the weaving techniques still used today and the black material shows the salish form lines.

My name is Chrystal Sparrow and I come from the Musqueam Band. I’m a contemporary Salish artist. My art mediums are; wood carvings, prints, jewellery, clothing and weavings.

UBC Board of Governors

UBC's 21-member Board of Governors comprises the chancellor, the president, eleven persons appointed by the lieutenant-governor, three faculty members elected by faculty, three full-time students elected by students and two people elected by and from the full-time employees of the university who are not faculty members.

By legislation, the board is responsible for the management, administration and control of the property, revenue, business and affairs of the university including the appointment of senior officials and faculty on the recommendation of the president. The governors represent diverse backgrounds, which provide valuable input during board deliberations.

UBC TRADITIONS

ACADEMIC REGALIA

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded. The regalia vary slightly from one University to another, and within a University, according to the status of the wearer.

The colours for the degrees are as follows:

Ph.D.  The regalia of the Ph.D. consists of a maroon gown front panel & sleeves of university blue with gold piping; a hood of blue silk outside with gold lining; a hat, decanal bonnet of maroon silk with gold cord and tassel.

Ed.D.  The Ed.D. regalia consists of a black gown with front panel and sleeves of university blue with gold piping; a hood of light blue with chevron of university blue, white and gold; a hat, decanal bonnet of black with gold cord and tassel.

Pharm D.  Pharm D. regalia consists of a black gown with front panel and sleeves of olive green with gold piping; a hood of university blue with chevron of university blue and gold; a hat, decanal bonnet of black with gold cord and tassel.

D.M.A.  The D.M.A. regalia consists of a black gown front panel and sleeves of university blue with gold piping; a hood of pink with chevron of university blue and gold; a hat, decanal bonnet of black with gold cord and tassel.

At the University of British Columbia, the undergraduate's and Master's gown are black. The Bachelor's hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour.

Congregation or Convocation?

People often ask why UBC calls its graduation ceremonies "Congregation". There are no records to say why this term was originally adopted but it has been used by UBC since its first graduation ceremonies in 1916 and is believed to originate from its use in English institutions such as Oxford and Cambridge. According to Wikipedia, "a congregation is an assembly of people for a given purpose; with respect to a university, it is a formal meeting of senior members of the University. Examples include the Regent House in the University of Cambridge and the House of Congregation and the Ancient House of Congregation in the University of Oxford. Stemming from this tradition, in some universities a graduation ceremony is known as a congregation, even if the ceremony is not a meeting of the university's governing body in the traditional sense."

For whatever reason, UBC adopted this term for its graduation ceremonies in 1916 and has used it ever since when inviting faculty, students and guests to the Annual and more recently the Spring and Fall graduation ceremonies. UBC is unique amongst Canadian institutions in that it appears to be the only institution that still uses this term.

The term 'Convocation' at UBC is more often used to describe a group of people - defined by the University Act - including the Chancellor, President, members of the Senate, all faculty members and all graduates of the University. The Convocation, through the Chancellor who serves as its chair, confers degrees, including honorary degrees, and awards diplomas and certificates of proficiency.

In Fall 2007, UBC Vancouver Senate reaffirmed its preference to maintain the tradition of using the term 'Congregation' for its graduation ceremonies. In Spring 2008, the UBC Okanagan Senate passed a motion that "Convocation be adopted as the name for meetings of the UBC convocation held at UBC Okanagan for the purposes of conferring degrees, effective June 2008."

Did you know....

- UBC's first Congregation ceremony took place on May 4, 1916 in the Hotel Vancouver ballroom. There were 41 graduates.
- UBC's first graduate degrees were conferred in 1919. The first degrees in Agriculture were conferred in 1921 and the first Bachelor of Applied Science in Nursing and Forestry degrees were awarded at the eighth Congregation in 1923.
- Every year since 1979, the graduating class has planted a tree on campus.
- The first Congregation ceremony on the present day campus was held in 1927.

The University Mace

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the Installation of a President or Chancellor.

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid's heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the 'Macebearer' who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

O Canada

Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Terre de nos aieux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protègera nos foyers et nos droits.

Protégera nos foyers et nos droits.
The following list reflects 22 important historical moments in UBC’s history:

1908
- Provincial legislature passes a new “University Act” establishing The University of British Columbia. It provides for a Chancellor, a Convocation, a President, and a Board of Governors to manage the university’s administration, property and business affairs, and a Senate to administer academic matters.

1910
- After a province-wide survey, Point Grey is selected as the site of UBC’s new campus.

1913
- Dr. Frank Fairchild Wesbrook appointed first President of UBC.

1915
- The University of British Columbia opens in temporary headquarters at the former MUCBC facilities (nicknamed the “Fairview Shacks” after the surrounding neighbourhood) adjacent to Vancouver General Hospital. There are three faculties: Arts and Science, Applied Science and Agriculture. Student enrolment in September is 379 and total number of full- and part-time faculty is 34.

1922
- Tired of over-crowded conditions and inadequate facilities, UBC students launch a campaign known as “Build the University” to resume construction at the Point Grey campus. With 56,000 names on a petition for the government, 1,200 students with floats, bands and banners march through the streets of downtown Vancouver to the Point Grey campus. This pilgrimage became known as the “Great Trek,” as it successfully convinced the Government of BC to resume work on the Point Grey site. The “Great Trek” represents one of the greatest efforts of an undergraduate student body in support of its university and still reflects the spirit and pride of UBC students.

UBC students march through the streets of Vancouver in the “Great Trek” of 1922.
1925
• UBC moves to Point Grey campus.

1940
• Students contribute to the construction of Brock Hall, the university's first student union building.

1951
• Student initiative leads to construction of War Memorial Gymnasium, as a memorial to the British Columbians who died serving their country.

1979
• UBC awards its 100,000th degree.

1989
• UBC launches the "World of Opportunity" fund-raising campaign. By the time it ends in 1993, this overwhelmingly successful campaign raises a total of $262 million.

1993
• U.S. President Bill Clinton and Russian President Boris Yeltsin meet at UBC during the 'Vancouver Summit.'

1997
• Dr. Martha C. Piper becomes UBC's new President.
• The Asia-Pacific Economic Cooperation (APEC) Leaders' Meeting brings the heads of the 18 leading economies around the Pacific Rim to Vancouver.

2000
• UBC celebrates 75 years at the Point Grey campus—which has changed considerably over the years—as it confers close to 6,000 degrees to graduating UBC students.

2001
• UBC opens its new downtown campus, UBC at Robson Square.

2004
• 3 Nobel Peace Prize Laureates, His Holiness the Dalai Lama, Archbishop Desmond Tutu and Dr. Shirin Ebadi, are given honorary degrees at a special ceremony.

2005
• UBC opens UBC Okanagan campus in Kelowna.

2006
• Professor Stephen J. Toope becomes UBC's 12th President and Vice-Chancellor.

2007
• UBC awards its 200,000th degree.

2008
• UBC celebrates the Centenary of the Signing of the University Act.
• Sarah Morgan-Silvester is elected as the 17th Chancellor of UBC, only the second woman in the history of the University to hold this position.

2010
• UBC is a venue for the 2010 Winter Olympic and Paralympic Games.

Grad Class 2010 Gift

The Graduation Class of 2010 have decided to contribute the following gifts to the university.

• $10,000 to the AMS Bursary Programme
• $10,000 to the UBC Alumni Association, for student directed programming on University Square
• $5,000 to the UBC Learning Exchange

“STEPS” FORWARD supports young adults with intellectual disabilities in auditing courses and participating in campus activities at colleges and universities in British Columbia. Over a 4-5 year period these young adults are supported in the educational, athletic, social and other life-defining challenges of student life in the same post-secondary environment as their non-disabled peers. (see www.STEPS-Forward.org)"
Goodbye Students. Hello Alumni!

Graduation doesn’t mean you have to say goodbye. As you cross the stage and receive your degree, you’re following in the footsteps of more than 250,000 UBC students before you. With upwards of 55 alumni networks worldwide, UBC grads can make the most of their connections and enjoy the benefits of membership in the alumni community.

- Trek Magazine three times a year and the monthly Grad Gazette e-newsletter will keep you up to date with campus news and research.
- Year-round Young Alumni Events will help you network, pick up practical advice, re-engage with great UBC traditions, or keep your grey matter in trim.
- Network and stay in touch with UBC and the alumni community by liking our Facebook page (facebook.com/ubcaalumni), following us on Twitter (twitter.com/ubcaalumni) and joining our group on LinkedIn.
- The Alumni ACard gives you access to UBC’s library, as well as many discounted services. The Alumni ACard gives you access to UBC's library, as well as many discounted services.

A Sincere “Thank You” to Grads

UBC strives to give students access to the best faculty, dynamic and topical programs of study, the latest resources and technology, and top-notch services and assistance.

Many of these items are made available through the generosity of alumni and friends of the university. While basic support for university operations comes from tuition fees and the government, donors are key partners in helping UBC explore and provide new opportunities for students.

We are proud to have our alumni’s strong support. This tradition of alumni support begins with our graduating students. UBC’s Class Act Initiative helps students to work together to fundraise for a special parting gift from their graduating class to their Faculty or School. In past years, these gifts have included computer equipment, furniture for student social spaces, speaker endowments and scholarships.

The university wishes to express its appreciation to this year’s Class Act participants, and to others who have demonstrated their commitment to the ideals of the university. Your generosity contributes immeasurably to the vitality and strength of UBC.

For further information about gifts to UBC, please contact the Development Office at 604-822-8900, or visit our website www.supporting.ubc.ca.
