Tuum est.

MESSAGE FROM THE PRESIDENT AND VICE-CHANCELLOR — STEPHEN J. TOOPE

Where to from here?

If you know the answer to that question, and the destination is one that excites you — whether it’s the first stage of a promising career, international service, graduate school, or a well-deserved vacation on the beaches of Mexico — you are indeed fortunate that the way forward is clear and unfettered by the travails of student life.

If, on the other hand, you are not yet sure what lies ahead, do not for a moment consider yourself alone or unlucky. Exhausted and concerned perhaps, but never alone and never unlucky.

Irrespective of what faculty or program in which you were enrolled, or what level of degree you have completed, now is the time to pause, take a deep breath of spring air, admire the fruit blossoms that seemed to take forever to unfold this year, and reflect upon how your life is now profoundly different.

You are a graduate of the University of British Columbia.

Practise saying it a few times to your room-mate, your aunt, your little brother, the dog. Make it the final syllables you ever utter to your landlord. And if that isn’t enough to make you feel good about what you have achieved, perhaps a bit more quiet reflection is warranted.

In the meantime, I want to tell you what I think it means to be an alumnus or alumna of one of Canada’s and the world’s finest universities, or more importantly, what it says, in no uncertain terms, about you.

It says: I am intelligent and resourceful. I am disciplined in both short-term and long-term endeavours. I am a capable researcher and an independent thinker. I can be counted upon to deliver results under trying circumstances. I can manage and optimize financial resources. I am a problem solver. I am a “multi-tasker.” I can listen with an open mind to opposing points of view and synthesize an intelligent evidence-backed conclusion. I have an open heart to the richness of diversity. I have acquired deeper understandings about other cultures, about why we are different, and how we are the same. I have experience in interdisciplinary environments. I have stick-to-it-ness and a can-do attitude. I can interact with other people to achieve common objectives. I am a skilled communicator. I can even storm the wall.

Although you may hope to one day have a more definitive descriptor about who and what you are — a teacher, chartered accountant, regional vice-president, UN field worker, astronaut, nurse, business owner, social worker, researcher or Olympic athlete to only skim the surface of possibilities — take pride in this moment and have faith in the future.

All too often as we navigate the uncertain waters of life in the 21st century, we are plagued by an innate need to have immediate answers to all questions, when in reality what we really need is to savour precious given moments and just drift a little further downstream.

And just one more thing. Graduation should never mean goodbye. It’s your university — today and always.

Warmest congratulations!

Stephen Toope
Musqueam Welcome

On behalf of the Musqueam Indian Band, the Musqueam Band Council welcomes the University of British Columbia's new graduates, their families and friends to the 2011 Annual Spring Congregation.

We are pleased to honour the graduates and extend our congratulations to each and every one of you. We are especially pleased to extend our welcome and congratulations to the increasing number of First Nations students who visit the university, and our traditional lands, for their education.

The accomplishments and contributions of each individual student build the foundation for their future as well as the future of the university and the larger community. These individual accomplishments reflect the talent and diversity among you. Today, the feeling of pride and accomplishment to accompany the completion of your course of study will add to each student's confidence in moving on to the next endeavour.

The University of British Columbia is situated within the heart of Musqueam Traditional Territory. These lands have always been a place for learning. In previous centuries, what is now the UBC campus was a centre for learning for Musqueam youth, who were instructed in culture, history, and tradition, and who in turn shared their knowledge with a new generation. Belief, knowledge, ritual, technological practices, were all handed down here from generation to generation – just as they are today to students from diverse communities and backgrounds.

Musqueam thanks the University of British Columbia and President Stephen Toope for continuing to recognize these lands and the tradition of learning associated with them as an integral part of the history and well being of the Musqueam community. We also thank UBC for continuing to seek a partnership with Musqueam as co-host for special initiatives and ceremonies.

We are pleased that our lands continue to be a place for learning and sharing. We are supportive of the university's many programs and initiatives to form partnerships with the Musqueam and other First Nations communities. Education brings us all together, and each of the students convocating today is an inspiration to us all. It is our hope that after graduation you will continue contributing to the university, to our communities, to the well being of society and in doing so you will bring about positive change.

Congratulations to all University of British Columbia 2011 Graduates. We wish you further success for your future.

Description of President's Stole

The Salish people are well known for being beautiful weavers along the west coast. Their weavings were used for clothing, sitting mats, and gifts. It also indicates wealth; the more blankets and gifts you gave away shows everyone your wealth.

I decided to design and weave the stole for the sole purpose in sharing the importance and wealth of the Salish people here at Musqueam. It's now a gift for the President and the students at UBC to share with each other. I hope it also relays the significance of sharing amongst each other.

The white sheep wool shows the weaving techniques still used today and the black material shows the salish form lines.

My name is Chrystal Sparrow and I come from the Musqueam Band. I'm a contemporary salish artist. My art mediums are; wood carvings, prints, jewellery, clothing and weavings.

Academic Regalia

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded. The regalia vary slightly from one University to another, and within a University, according to the status of the wearer.

The colours for the degrees are as follows:

Ph.D.  The regalia of the Ph.D. consists of a maroon gown front panel & sleeves of university blue with gold piping; a hood of blue silk outside with gold lining; a hat, decanal bonnet of maroon silk with gold cord and tassel.

Ed.D.  The Ed.D. regalia consists of a black gown with front panel and sleeves of university blue with gold piping; a hood of light blue with chevron of university blue, white and gold; a hat, decanal bonnet of black with gold cord and tassel.

Pharm D.  Pharm D. regalia consists of a black gown with front panel and sleeves of olive green with gold piping; a hood of university blue with chevron of university blue and gold; a hat, decanal bonnet of black with gold cord and tassel.

D.M.A  The D.M.A. regalia consists of a black gown front panel and sleeves of university blue with gold piping; a hood of pink with chevron of university blue and gold; a hat, decanal bonnet of black with gold cord and tassel.

At the University of British Columbia, the undergraduate’s and Master’s gown are black. The Bachelor’s hood is edged with the distinctive colour. The Master’s hood is the same as the Bachelor’s, except that it is lined with the distinctive colour.

Congregation or Convocation?

People often ask why UBC calls its graduation ceremonies “Congregation.” There are no records to say why this term was originally adopted but it has been used by UBC since its first graduation ceremonies in 1916 and is believed to originate from its use in English institutions such as Oxford and Cambridge. According to Wikipedia, “a congregation is an assembly of people for a given purpose; with respect to a university, it is a formal meeting of senior members of the University. Examples include the Regent House in the University of Cambridge and the House of Congregation and the Ancient House of Congregation in the University of Oxford. Stemming from this tradition, in some universities a graduation ceremony is known as a congregation, even if the ceremony is not a meeting of the university’s governing body in the traditional sense.”

For whatever reason, UBC adopted this term for its graduation ceremonies in 1916 and has used it ever since when inviting faculty, students and guests to the Convocation. UBC is unique amongst Canadian institutions in that it appears to be the only institution that still uses this term.

The term ‘Convocation’ at UBC is more often used to describe a group of people – defined by the University Act – including the Chancellor, President, members of the Senate, all faculty members and all graduates of the University. The Convocation, through the Chancellor who serves as its chair, confers degrees, including honorary degrees, and awards diplomas and certificates of proficiency.

In Fall 2007, UBC Vancouver Senate reconfirmed its preference to maintain the tradition of using the term ‘Congregation’ for its graduation ceremonies. In Spring 2008, the UBC Okanagan Senate passed a motion that “Convocation be adopted as the name for meetings of the UBC convocation held at UBC Okanagan for the purposes of conferring degrees, effective June 2008.”

Did you know....
- UBC’s first Congregation ceremony took place on May 4, 1916 in the Hotel Vancouver ballroom. There were 41 graduates.
- UBC’s first graduate degrees were conferred in 1919. The first degrees in Agriculture were conferred in 1921 and the first Bachelor of Applied Science in Nursing and Forestry degrees were awarded at the eighth Congregation in 1923.
- Every year since 1979, the graduating class has planted a tree on campus.
- The first Congregation ceremony on the present day campus was held in 1927.

The University Mace

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the installation of a President or Chancellor.

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid’s heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the ‘Macebearer’ who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

O Canada

Our home and native land!
True patriot love in all thy sons command.

With glowing hearts we see thee rise,
The True North strong and free

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Terre de nos aieux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l’épée,
Il sait porter la croix!

Ton histoire est une épopée
Des plus brillants exploits.

Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
UBC's Important Historical Moments

The following list reflects 23 important historical moments in UBC's history:

1908
- Provincial legislature passes a new "University Act" establishing The University of British Columbia. It provides for a Chancellor, a Convocation, a President, and a Board of Governors to manage the university's administration, property and business affairs, and a Senate to administer academic matters.

1910
- After a province-wide survey, Point Grey is selected as the site of UBC's new campus.

1913
- Dr. Frank Fairchild Westbrook appointed first President of UBC.

1915
- The University of British Columbia opens in temporary headquarters at the former MUCBC facilities (nicknamed the "Fairview Shacks" after the surrounding neighbourhood) adjacent to Vancouver General Hospital. There are three faculties: Arts and Science, Applied Science and Agriculture. Student enrolment in September is 379 and total number of full- and part-time faculty is 34.

1922
- Tired of over-crowded conditions and inadequate facilities, UBC students launch a campaign known as "Build the University" to resume construction at the Point Grey campus. With 56,000 names on a petition for the government, 1,200 students with floats, bands and banners march through the streets of downtown Vancouver to the Point Grey campus. This pilgrimage became known as the "Great Trek," as it successfully convinced the Government of BC to resume work on the Point Grey site. The "Great Trek" represents one of the greatest efforts of an undergraduate student body in support of its university and still reflects the spirit and pride of UBC students.

**A sincere “thank you” to grads**

UBC strives to give students access to the best faculty, dynamic and topical programs of study, the latest resources and technology, and top-notch services and assistance.

Many of these items are made available through the generosity of alumni and friends of the university. While basic support for university operations comes from tuition fees and the government, donors are key partners in helping UBC explore and provide new opportunities for students.

We are proud to have our alumni's strong support. This tradition of alumni support begins with our graduating students. UBC's Class Act initiative helps students to work together to fundraise for a special parting gift from their graduating class to their Faculty or School. In past years, these gifts have included computer equipment, furniture for student social spaces, speaker endowments and scholarships.

The university wishes to express its appreciation to this year's Class Act participants, and to others who have demonstrated their commitment to the ideals of the university. Your generosity contributes immeasurably to the vitality and strength of UBC.

For further information about gifts to UBC, please contact the Development Office at 604-822-8900, or visit our website www.supporting.ubc.ca.
