THE UNIVERSITY THANKS ITS FRIENDS FOR THEIR CONTRIBUTIONS

The University owes much of its stature to private gifts. Research, special teaching projects, scholarships, prizes, and bursaries have been supported by individual benefactors, alumni, firms, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as lasting testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Many alumni contribute annually. During the past year, benefactors donated \$6,640,407.00.

A record of private gifts made in the year ending March 31, 1970, will be mailed to the donors. Should you wish to receive a copy of this brochure, please write to or call the Resources Council.*

The brochure shows a fascinating variety of gifts-in-kind, as well as over fourteen hundred donations in money: fossil fish; fifty volumes of Sir Walter Scott; paintings; a tapestry for Cecil Green Park, and ball bearings.

This brochure does not include the detail of the magnificent support received from donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve Faculties, eight Schools, and six Institutes, the University's needs are many and varied. Support is welcome in every area of teaching and research; and money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take. No gift is too small—and none is too large.

THE UNIVERSITY THANKS ITS FRIENDS
FOR THEIR CONTRIBUTIONS

The University owes much of its stature to private gifts. Research, special teaching projects, scholarships, prizes, and bursaries have been supported by individual benefactors, alumni, firms, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as lasting testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Many alumni contribute annually. During the past year, benefactors donated \$6,640,407.00.

A record of private gifts made in the year ending March 31, 1970, will be mailed to the donors. Should you wish to receive a copy of this brochure, please write to or call the Resources Council.*

The brochure shows a fascinating variety of gifts-in-kind, as well as over fourteen hundred donations in money: fossil fish; fifty volumes of Sir Walter Scott; paintings; a tapestry for Cecil Green Park, and ball bearings.

This brochure does not include the detail of the magnificent support received from donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve Faculties, eight Schools, and six Institutes, the University's needs are many and varied. Support is welcome in every area of teaching and research; and money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take. No gift is too small—and none is too large.

THE UNIVERSITY THANKS ITS FRIENDS FOR THEIR CONTRIBUTIONS

The University owes much of its stature to private gifts. Research, special teaching projects, scholarships, prizes, and bursaries have been supported by individual benefactors, alumni, firms, foundations, and associations. Some of the major buildings on the campus, as well as a wide variety of other projects, serve as lasting testimony to the generosity of those who helped to build U.B.C.

The basic support of the University is provided by fees and by the Province of British Columbia and the Government of Canada. The excellence of the education it offers, however, depends in part on financial assistance received from friends. Gifts have been made anonymously, directly, in memory of relatives, in honour of friends, and by bequest. Many alumni contribute annually. During the past year, benefactors donated \$6,640,407.00.

A record of private gifts made in the year ending March 31, 1970, will be mailed to the donors. Should you wish to receive a copy of this brochure, please write to or call the Resources Council.*

The brochure shows a fascinating variety of gifts-in-kind, as well as over fourteen hundred donations in money: fossil fish; fifty volumes of Sir Walter Scott; paintings; a tapestry for Cecil Green Park, and ball bearings.

This brochure does not include the detail of the magnificent support received from donors to the Alumni Fund and the Three Universities Capital Fund. Provincial and Federal grants, the mainstay of the University, are recorded in other publications.

With twelve Faculties, eight Schools, and six Institutes, the University's needs are many and varied. Support is welcome in every area of teaching and research; and money for the assistance of students is essential. We welcome the opportunity to discuss with donors the form their support might take. No gift is too small—and none is too large.
