ACADEMIC REGALIA

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded.

The regalia vary slightly from one University to another and, within a University, according to the status of the wearer.

At the University of British Columbia the undergraduate's gown is black and of the ordinary stuff material; the yoke is edged with khaki cord. The Master's gown is similar but lacks the cord.

The colours for the degrees are:

- B.A. — University blue
- B.F.A. — University blue with magenta cord
- B.A.Sc. — Scarlet
- B.COM. — Light grey with black and grey cord
- B.C. ACCT. — Light grey with white cord
- B.Ed. — White with cord of University blue
- B.H.E. — Turquoise
- B.L.A. — Maize with scarlet cord
- M.L.S. — Cadmium yellow
- M.A.S. — University blue with silver and cadmium yellow twisted cord
- B.MUS. — University blue with cord of alizarin crimson
- B.Sc. — Light blue
- B.Arch. — Scarlet with white cord
- D.M.D. — Lilac and red
- Ed.D. — Blue and gold with blue, white and yellow chevrons
- B.P.E. — Malachite green
- B.R.E. — Malachite green with gold and green cord
- B.Sc. (AGR.) — Maize
- B.S.F. — Brown with green cord
- B.Sc (FORESTRY) — Brown with blue cord
- B.S.N. — Scarlet with twisted cord of University blue and white
- B.Sc. (PHARM.) — Dark green with scarlet cord
- B.Sc. (O.T.) — Scarlet and white twisted cord on royal blue
- B.Sc. (P.T.) — Scarlet and white twisted cord on royal blue
- B.S.W. — Magenta
- LL.B. — Amethyst violet
- M.D. — Scarlet and royal blue
- B.M.L.Sc. — White with a twisted cord of scarlet and royal blue
- M.H.Sc. — Scarlet and grey
- Ph.D. — Blue and gold
- D.M.A. — Royal blue and alizarin crimson with blue and gold chevron

The Bachelor's hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour. The hood for the M.Sc. (Bus. Admin.) is similar to that of the M.Sc., with grey trim and black and white cord. The hood for the M.Eng. is similar to that of the M.A.Sc., except that it is trimmed with a cord of University blue.

The regalia of the Ph.D. consists of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel. The regalia of the Ed.D. consist of a gown of similar style but of black stuff, a hood, American style, black with front facing of University blue velvet, fully lined sky blue, with chevron of University blue, white and yellow; a cap, decanal bonnet of black stuff with gold cord and tassel. The hood for the honorary degree LL.D. is of scarlet broadcloth lined with dark blue velvet. For the D.Sc. it is lined in dark purple. For the D.Litt. it is lined in cream.

THE UNIVERSITY THANKS ITS FRIENDS
FOR THEIR CONTRIBUTIONS

It is an immense source of pride for the University to know that an increasing number of its alumni and friends realize the important role private gifts play in the life of an education institution.

The basic support for the University comes from fees and from the Province of British Columbia and the Government of Canada. Nevertheless, there are important areas not covered by such funding, and many opportunities for private donations are both vital and enriching for academic excellence. Alumni and friends of UBC are playing a more important role than ever in supplementing government support in an effort to build a greater UBC.

Last year, more than $8,000,000 was contributed — in gifts and grants ranging from $1.00 to very large amounts. This support provides scholarships for deserving students, fellowships for graduate scholars, research grants, support for library acquisitions and for essential teaching and research equipment, and for a variety of other University needs. Every gift, every dollar, has been used to help the University.

With twelve faculties, which include more than eighty departments, nine schools and ten institutes and research centres, the opportunities are many and varied. We have a high quality institution with an excellent faculty and strong academic programmes on which to build. Support is welcome in every area of teaching, research and capital development. Money for the assistance of students is essential.

The University wishes to express its appreciation to those who through their gifts have indicated their commitment to the ideals of the University and their awareness of its needs. Your generosity is instrumental to the continuing vitality and strength of UBC.

Be assured that UBC will strive to continue to merit your confidence and support.
