ACADEMIC REGALIA

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first universities were founded.

The regalia vary slightly from one University to another and, within a University, according to the status of the wearer.

At the University of British Columbia the undergraduate's gown is black and of the ordinary stuff material; the yoke is edged with khaki cord. The Master's gown is similar but lacks the cord.

The colours for the degrees are:

THE UNIVERSITY THANKS ITS FRIENDS
FOR THEIR CONTRIBUTIONS

It is an immense source of pride for the University to know that an increasing number of its alumni and friends realize the important role private gifts play in the life of an educational institution.

The basic support for the University comes from fees and from the Province of British Columbia and the Government of Canada. Nevertheless, there are important areas not covered by such funding, creating opportunities to enrich the University through private donations. Alumni and friends are playing a more important role than ever in supplementing government support to build a greater UBC.

In 1989, UBC launched The Campaign, A World of Opportunity, the largest university fund-raising campaign in Canadian history. Designed to provide the facilities, equipment, scholarships and endowed chairs required for academic distinction, when the Campaign draws to a close in 1992, it is expected that private sector and government donations will total more than $200 million.

In addition to Campaign gifts, more than $10 million was contributed in 1989 through the annual giving programme of the University. This support provides scholarships for deserving students, fellowships for graduate scholars, research grants, support for library acquisitions, essential teaching and research equipment and meets a variety of other University needs.

The University wishes to express its appreciation to those who through their gifts have demonstrated their commitment to the ideals of the University and their awareness of its needs. Your generosity contributes immeasurably to the vitality and strength of UBC.

With twelve faculties, including more than eighty departments, nine schools, and ten institutes and research centres, the opportunities are many and varied. We have an excellent faculty and strong academic programmes on which to build.

Be assured that UBC will strive to continue to merit your confidence and support. For further information about gifts to UBC, please contact the Development Office, The University of British Columbia, Vancouver, B.C. V6T 2A7, Telephone 222-8900
