CHANCELLOR'S MESSAGE

Convocation is the most important day in the university calendar. It's the day when years of hard work, very little recognition and barely any money finally pays off. As you walk across the stage to receive your degree, you have done more than just acquire the right number of credits. You have learned, grown and matured, and leave this institution with a real sense of accomplishment.

You will shape BC's economy and culture in the new century. You will operate our businesses, manage our resources, provide health care, teach our children, give political leadership and nourish our culture.

But UBC is no longer a regional university. Our research touches lives and economies around the world, and our students, faculty and staff are drawn from every area of the globe.

Because our university has developed a world perspective, and because we have embraced the needs, opportunities and

energies of the times, you have been prepared to approach issues with a global perspective.

The chief responsibility of any university is to prepare its graduates to take on the challenges and capitalize on the opportunities society presents. The education you have received at UBC is the best any university can offer, and has given you all the tools you need to make your mark and attain your goals.

I hope your time here has taught you the value of knowledge. I hope, too, that you have learned to recognize the opportunities presented by change, and that you have acquired the skills and courage to take advantage of that change.

Congratulations on your accomplishment.

William L. Sauder, Chancellor

PRESIDENT'S MESSAGE

As the class of 2000, you are preparing to leave UBC to find your place in the world at a time when social and economic change has accelerated to an extraordinary pace. Social scientists now predict that many of you will have not just several jobs but several careers. As international boundaries become more permeable, your work may take you to other countries and immerse you in other cultures. Education no longer ends with graduation from university, but is now a continual process of learning and renewal.

As the parameters of our lives and work shift, our connection to community becomes increasingly critical. It is to community that we repeatedly turn to orient ourselves in the face of change. Community is the touchstone that grounds us, sustains us, and helps us define who we are and the direction we should take.

In your role as a UBC student, you have been central to the UBC community. The numerous parts of this vast and complex university - the academic departments and faculty, the administrative apparatus, and the student clubs and organizations - have all worked together to help you arrive at this moment of change. Within the UBC community you have gained the knowledge, skills and experience to become a successful, adaptive, fully-engaged participant in the new "knowledge society".

Now a UBC graduate, you will provide the university with its most important mechanism for reaching out to other communities. You will take the knowledge, experience and values that you have gained at UBC into the wider world. As alumni, you will be UBC's ambassadors.

And just as we will rely upon you to take UBC to the world, we will also rely upon you to bring the world back to UBC. By staying in touch with those friends and mentors who have been essential to your personal and professional growth, you will keep the university in touch with the new communities you encounter and the changes they are undergoing.

I have always viewed UBC alumni as "students for life" in two important senses. First, UBC graduates will always use the learning strategies and skills developed here to adapt and flourish with change. Second, and just as important, membership in the UBC community does not end upon graduation. I am confident that UBC will remain with you, serving as a touchstone and a guide as you venture into the world forging new connections and engaging new communities.

Martha C. Piper, President

ACADEMIC REGALIA

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded. The regalia vary slightly from one University to another, and within a University, according to the status of the wearer. At the University of British Columbia, the undergraduate's and Master's gown are black.

The colours for the degrees are as follows:

The Bachelor's hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour. The hood for the M.Sc. (Bus. Admin.) is similar to that of the M.Sc., with grey trim and black and white

cord. The hood for the M.Eng. is the same as that of the M.A.Sc., except that it is trimmed with a cord of University blue.

The regalia of the Ph.D. consists of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel. The hood for the honorary degree LL.D. is of scarlet broadcloth lined in dark blue velvet; for the D.Sc., it is lined in dark purple and for the D. Litt., it is lined in cream.

UBC'S DISTINGUISHED HISTORY OF GRADUATION

UBC's first Congregation ceremony took place on May 4, 1916 in the Hotel Vancouver ballroom. There were 41 graduates.

- UBC's first graduate degrees were conferred in 1919. The first degrees in Agriculture were conferred in 1921. The first Bachelor of Applied Science in Nursing and Forestry degrees were awarded at the eighth Congregation in 1923.
- UBC students now graduate from 12 faculties: Agricultural Sciences, Applied Science, Arts, Commerce and Business Administration, Dentistry, Education, Forestry, Graduate Studies, Law, Medicine, Pharmaceutical Sciences and Science.
- Each year since 1919, the graduating class has planted a tree to mark Congregation.
- The first Congregation ceremony on the present day campus was held in 1927,
- The Ladner Clock Tower in front of Main Library houses a 330-bell carillon which is played during special occasions, including Congregation. The 40-metre tower was built in 1968 in memory of B.C. pioneers, especially members of the Ladner family who founded the town of the same name.
- When graduating students are presented to the chancellor he or she says "I admit you," welcoming them to convocation, the body of graduates that elects the chancellor and some university senators.

- Hoods and gowns worn by graduates are lined with colours that indicate the degree to be conferred. Members of the Congregation processions wear colourful academic regalia from around the world signifying their university of graduation and highest degree awarded.
- The gowns, hoods and mortarboards worn by graduating students evolved from clothes worn by European scholars in the Middle Ages.

THE UNIVERSITY MACE

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the installation of a President or Chancellor.

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid's heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the 'Macebearer' who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

O CANADA

O Canada! Our home and native land,
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The true north strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.

UBC'S IMPORTANT HISTORICAL MOMENTS

The following list reflects
15 important historical
moments in UBC's history:

1908

- Provincial legislature passes a new "University Act" establishing The University of British Columbia. It provides for a Chancellor, a Convocation, a President, and a Board of Governors to manage the university's administration, property and business affairs, and a Senate to administer academic matters.

1910

- After a province-wide survey, Point Grey is selected as the site of UBC's new campus.

1913

- Dr. Frank Fairchild Wesbrook appointed first President of UBC.

1915

- The University of British Columbia opens in temporary headquarters at the former MUCBC facilities (nicknamed the "Fairview Shacks" after the surrounding neighbourhood) adjacent to Vancouver General Hospital. There are three faculties: Arts and Science, Applied Science and Agriculture. Student enrolment in September is 379 and total number of full- and part-time faculty is 34.

1922

- Tired of over-crowded conditions and inadequate facilities, UBC students launch a campaign known as "Build the University" to resume construction at the Point Grey campus. With 56,000 names on a petition for the government, 1,200 students with floats, bands and banners march through the streets of downtown Vancouver to the Point Grey campus. This pilgrimage became known as the "Great Trek," as it successfully convinced the Government of BC to resume work on the Point Grey site. The "Great Trek" represents one of the greatest efforts of an undergraduate student body in support of its university and still reflects the spirit and pride of UBC students.

1925

- UBC moves to Point Grey campus.

1940

- Students contribute to the construction of Brock Hall, the university's first student union building.

1951

- Student initiative leads to construction of War Memorial Gymnasium, as a memorial to the British Columbians who died serving their country.

1979

- UBC awards its 100,000th degree.

1989

- UBC launches the "World of Opportunity" fundraising campaign. Its goal is to raise \$66 million in private and corporate donations, with the provincial government to provide equal matching funds, to pay for new buildings, facilities, programmes, and scholarships. By the time it ends in 1993, this overwhelmingly successful campaign raises a total of \$262 million.

1993

- U.S. President Bill Clinton and Russian President Boris Yeltsin meet at UBC during the "Vancouver Summit."
- Dr. Michael Smith receives the Nobel Prize.

1997

- Dr. Martha C. Piper becomes UBC's new President.
- The Asia-Pacific Economic Cooperation (APEC) Leaders' Meeting brings the heads of the 18 leading economies around the Pacific Rim to Vancouver. The economic leaders hold their centrepiece meeting at UBC's Museum of Anthropology. Members of the university community object to a number of APEC leaders being on the campus on human rights and moral grounds. A significant anti-APEC demonstration held at the meeting is controlled with considerable force by the RCMP.

2000

- UBC celebrates 75 years at the Point Grey campus—which has changed considerably over the years—as it confers close to 6,000 degrees to graduating UBC students.

PARTING WORDS TO UBC GRADS

WORDS FROM A UBC GRADUATE

Jean Coulthard, LL.D., was one of the first UBC students to study at the Point Grey campus in 1925. The following is an excerpt from her speech to the Annual Congregation of the University of British Columbia as she received an honorary degree in June 1988.

"...I'd like now to tell you just a little of my own history in relation to this splendid university. I attended First Year Arts the year the university opened on the Point Grey campus. There were no lovely gardens and planted avenues in those days. The campus itself—a few buildings—the middle section of today's library, the science, and many of what were then called "temporary buildings" (the big joke of course being that they're still in use). The grounds were a mess of building materials, rubble and just plain mud; in fact, the whole area had barely opened in time for the full registration. Instead of the traditional pranks played on the incoming freshmen, my year found itself all commandeered to clean up the place (I vividly remember to this day a young woman who behaved exactly as a Sergeant Major, giving me a huge pail, mop, and cake of soap with orders to wash one of the floors in the mathematics building). We didn't entirely like this treatment but we nonetheless did it, as I think we all appreciated that were in at the beginning of UBC becoming a great intellectual centre in this province.

I was 17 when I came to UBC as an Arts student. I particularly remember my first course with the fine young lecturer Sally Murphy, later Mrs John Creighton. In those days we began with the poets of the First World War—Brook, Sassoon, Owen. What a magic world opened to me in these first fascinating lectures, and I'm sure that many of you can remember having the casements opened for you in a similar way. Now that you are graduating, I hope that you will find a way to extend your knowledge and inspiration to the younger generations coming along. As a teacher, this has been one of the great privileges of my life..."

Jean Coulthard passed away in the spring of 2000; she was 92 years.

TO THE MEMBERS OF THE GRADUATING CLASS OF 2000

On behalf of the Grad Class Council, it is an honour for me to have this opportunity to congratulate you on reaching this milestone in your life.

Graduation is a time to reflect on your university experiences and memories. Take pride in your years of hard work and sacrifice. The knowledge you have acquired at UBC will assist you in achieving the goals you have set for yourself. Most importantly, realize that your achievements have made a positive impact on your university. Your successes have contributed in creating a legacy for the students of the future to follow.

Your stay at UBC has exposed you to a broad range of experiences that will prepare you well for your future endeavours. In closing, congratulations once again and please allow me to wish you all the best in the years to come.

Grad Class Council 2000

GRAD CLASS 2000 GIFT

As a parting gift to UBC, the Class of 2000 will construct a monument that commemorates the millennium and the historical role of students in shaping UBC's campus. This monument will feature historical photographs of student initiatives, along with the Alma Mater Society's mission statement: to improve the quality of the educational, social, and personal lives of UBC students. It is proposed that two 12-foot concrete walls be constructed parallel to each other on the south west plaza of campus.

WELCOME FROM 160,000 OF YOUR CLOSEST PERSONAL FRIENDS

Congratulations! When you cross the stage during your graduation ceremony the Chancellor admits you into the UBC Alumni Association, an organization that represents more than 160,000 people who graduated before you.

UBC and the Alumni Association will keep in touch with you through our magazine, *The Alumni Chronicle*. As a graduate of a particular faculty or school, you can join one of our divisions, or participate in the Association as a volunteer to help organize one in your graduating area.

We also have a Young Alumni group for recent grads who live in the Lower Mainland. The group meets frequently for professional development, mentoring and just plain fun.

Our Alumni have formed branches as far away as London and

Hong Kong and as close by as Kamloops and Kelowna. We can put you in touch with our contact person in your new town, or you can take on the job yourself!

Our membership card, the Acard, offers you discounts on goods and services from hotels to clothing stores, and gives you access to UBC services (athletic facilities, internet connection) at discounted prices. And, with the Acard, you get to use the best library in Western Canada, absolutely free.

Remember that UBC still belongs to you and that you are still very much a part of the university through your membership with the Alumni Association. Please keep in touch and please join us in supporting and maintaining UBC as a world class university.

You can reach us at 604-822-3313 or visit our website at www.alumni.ubc.ca.

A SINCERE "THANK YOU" TO GRADS

UBC strives to give students access to the best faculty, dynamic and topical programs of study, the latest resources and technology, and top-notch services and assistance.

Many of these items are made available through the generosity of alumni and friends of the university. While basic support for university operations comes from tuition fees and the government, donors are key partners in helping UBC explore and provide new opportunities for students.

We are proud to have our alumni's strong support. In fact, *Maclean's* magazine ranked UBC 4th among universities throughout Canada in terms of alumni support in 1999—behind the leaders only by a very small margin.

This tradition of alumni support begins with our graduating students. UBC's Class Act initiative helps students to work together to fundraise for a special parting gift from their graduating class to their Faculty or School. In past years, these gifts have included computer equipment, furniture for student social spaces, benches, speaker endowments and scholarships.

The university wishes to express its appreciation to this year's Class Act participants, and to others who have demonstrated their commitment to the ideals of the university. Your generosity contributes immeasurably to the vitality and strength of UBC.

For further information about gifts to UBC, please contact the Development Office at (604) 822-8900, or visit our website at www.external-affairs.ubc.ca/develop.

SIGNIFICANT ACCOMPLISHMENTS & CONTRIBUTIONS

Prominent in the professions and the community, honorary degree recipients are recognized for their distinguished achievements in their respective endeavours and for the contributions their accomplishments make to the life of the university and the betterment of society. PRESIDENT'S SERVICE AWARD FOR EXCELLENCE RECIPIENTS

The President's Service Award for Excellence is one of the highest honours a UBC staff or faculty member can receive. This award recognizes those individuals who go above and beyond the call duty—whose efforts make a difference to both the university and campus life. Recipients of this prestigious award receive a gold medal and \$5,000. These awards were presented during Spring Congregation 2000.

KILLAM TEACHING PRIZE RECIPIENTS

Recipients of the Killam teaching prize—which recognizes the fundamental importance of teaching at the university—are selected by their faculties on the basis of recommendations from colleagues and from past and present students. Each award winner receives \$5,000 from endowment sources. Although the winners come from diverse disciplines and use many different teaching methods, all share a gift for communication, a dedication to learning and a passion for making their subject matter come alive in the classroom. These prizes are recognized during Spring and Fall Congregation.
