**CHANCELLOR’S MESSAGE**

Convocation is the most important day in the university calendar. It's the day when years of hard work, very little recognition and very little money is finally rewarded. As you walk across the stage to receive your degree, you have done more than just acquire the right number of credits. You have learned, grown and matured, and leave this institution with a real sense of accomplishment.

You will shape BC's economy and culture in the new century. You will operate our businesses, manage our resources, provide health care, teach our children, give political leadership and nourish our culture.

But UBC is no longer a regional university. Our research touches lives and economies around the world, and our students, faculty and staff are drawn from every area of the globe.

Because our university has developed a world perspective, and because we have embraced the needs, opportunities and energies of the times, you have been prepared to approach issues with a global perspective.

The chief responsibility of any university is to prepare its graduates to take on the challenges and capitalize on the opportunities society presents. The education you have received at UBC is the best any university can offer, and has given you all the tools you need to make your mark and attain your goals.

I hope your time here has taught you the value of knowledge. I hope, too, that you have learned to recognize the opportunities presented by change, and that you have acquired the skills and courage to take advantage of that change.

Congratulations on your accomplishment.

William L. Sauder, Chancellor

---

**PRESIDENT’S MESSAGE**

As the class of 2001, you are preparing to leave UBC at a time of unprecedented change. Scientific discoveries and social and cultural developments are presenting us with opportunities and ethical challenges that would have seemed farfetched only a few years ago. Information technologies continue to change fundamentally the way we live, work and study, and the constant shifting of social and economic parameters is taking place on a global scale. Social scientists now predict that many of you will have not just several jobs, but several careers.

Considering that context, what skills do you take with you from UBC that will contribute to your future success, and to what ends can you reasonably be expected to apply them? I believe that, as UBC graduates, you possess a unique profile of cross-disciplinary skills that are both vital to your future success, and of great potential benefit to society as a whole.

Through the rigours of debate and inquiry, you have developed advanced critical thinking and problem-solving skills, as well as the confidence to take risks with learning. You have mastered the qualities, which will allow you to become a lifelong learner, to address any challenge you face in your life or your career. But beyond your ability to successfully adapt to a constantly changing environment, you have the power to innovate, to actively engage our society as an agent for positive change. It is from you that we will come to expect pivotal breakthroughs in all fields of endeavour; you will expand and revitalize our concept of what is possible.

Furthermore, your exceptional communication skills, your ability to work effectively in teams, your awareness of and respect for, cultures other than your own, and your understanding of social responsibilities are important tools for transcending differences and bringing people together. Poverty, social isolation, injustice, and the many problems associated with them will be within your power to address because of the unique abilities fostered by your UBC experience. You have the great potential, not just to succeed personally and professionally, but to lead and strengthen your community.

I encourage you, as innovators, leaders and permanent members of the UBC community, to apply your knowledge and skills generously, and to look forward with a focused optimism. A time of change is a time of risk, but it is also a time of great opportunity, and you have proven that you are equal to the challenge. As the UBC motto implies, the future is truly yours: *Tuum est* – it’s up to you.

Martha C. Piper, President
UBC Board of Governors

UBC's 15-member Board of Governors comprises the chancellor, the president, eight persons appointed by the lieutenant-governor, two faculty members elected by faculty, two full-time students elected by students and one person elected by and from the full-time employees of the university who are not faculty members.

By legislation, the board is responsible for the management, administration and control of the property, revenue, business and affairs of the university including the appointment of senior officials and faculty on the recommendation of the president. The governors represent diverse backgrounds, which provide valuable input during board deliberations.

Academic Regalia

The wearing of academic costume is a tradition that has persisted from the Middle Ages, when the first Universities were founded. The regalia vary slightly from one University to another, and within a University, according to the status of the wearer. At the University of British Columbia, the undergraduate's and Master's gown are black.

The colours for the degrees are as follows:

- B.A. — University blue
- B.F.A. — University blue with magenta cord
- B.A.Sc. — Scarlet
- B.Com. — Light grey with black and grey cord
- B.Ed. — White with University blue cord
- B.H.E. — Turquoise
- B.L.A. — Maize with scarlet cord
- M.A.S. — University blue with silver and cadmium yellow twisted cord
- M.L.L.S. — Cadmium yellow
- M.A.S./M.L.I.S. — Cadmium yellow with blue and silver twisted cord
- B.Mus. — University blue with alizarin crimson cord
- B.Sc. — Light blue
- B.Arch. — Scarlet with white cord
- B.D.Sc. — Lilac and red cords on white
- D.M.D. — Lilac and red
- Ed.D. — Royal blue and light blue, with chevron of University blue, white and gold
- B.H.K. — Malachite green
- B.Sc.(Med.) — Maize with gold and green twisted cord
- B.Sc. (FNH) — Maize with gold and white twisted cord
- B.Sc. (GRS) — Maize with gold and blue twisted cord
- B.Sc.(Diet.) — Turquoise with gold and white twisted cord
- B.S.P. — Brown with green cord
- B.Sc.(For.) — Brown with light blue cord
- B.Sc. (N.R.M.) — Brown with red cord
- B.S.N. — Scarlet with twisted cord of University blue and white
- B.Sc.(Pharm.) — Dark green with scarlet cord
- B.Sc.(O.T./P.T.) — Scarlet and white twisted cord on royal blue
- B.S.W. — Magenta
- LL.B. — Amethyst violet
- M.D. — Scarlet and royal blue
- B.M.L.Sc. — Scarlet and royal blue twisted cord on white
- M.H.A. — Red and pale blue
- M.A.(CL) — University blue with cadmium yellow cord
- M.A. (Plan) — University blue with dark green and slate grey
- M.Sc.(Plan) — University blue with dark green and white
- M.H.Sc. — Scarlet and grey
- PH.D. — Blue and gold
- D.M.A. — Royal blue and alizarin crimson with blue and gold chevron
- Pharm.D. — American style with lining of University blue and with chevron of University blue and gold
The Bachelor's hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour. The hood for the M.Sc. (Bus. Admin.) is similar to that of the M.Sc., with grey trim and black and white cord. The hood for the M.Eng. is the same as that of the M.A.Sc., except that it is trimmed with a cord of University blue.

The regalia of the Ph.D. consists of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel. The Ed.D. regalia consists of a gown, Cambridge style, of black stuff; a hood, American style, with lining of light blue and with chevron of University blue, white and gold; a cap, decanal bonnet, of black stuff with gold cord and tassel. The D.M.A. regalia is similar to that of the Ed.D. with hood lined with alizarin crimson and a chevron of University blue and gold. The Pharm.D. regalia consists of a gown, Cambridge style, of black stuff with front facing panel and sleeves of dark olive green with gold piping; a hood, American style, with lining of University blue and with chevron of University blue and gold; a cap; decanal bonnet, of black stuff with gold cord and tassel.

The hood for the honorary degree LL.D. is of scarlet broadcloth lined in dark blue velvet; for the D.Sc., it is lined in dark purple and for the D. Litt., it is lined in cream.

UBC's Distinguished History of Graduation

UBC's first Congregation ceremony took place on May 4, 1916 in the Hotel Vancouver ballroom. There were 41 graduates.

- UBC's first graduate degrees were conferred in 1919. The first degrees in Agriculture were conferred in 1921. The first Bachelor of Applied Science in Nursing and Forestry degrees were awarded at the eighth Congregation in 1923.

- UBC students now graduate from 12 faculties: Agricultural Sciences, Applied Science, Arts, Commerce and Business Administration, Dentistry, Education, Forestry, Graduate Studies, Law, Medicine, Pharmaceutical Sciences and Science.

- Each year since 1919, the graduating class has planted a tree to mark Congregation.

- The first Congregation ceremony on the present day campus was held in 1927.

- The Ladeen Clock Tower in front of Main Library houses a 330-bell carillon which is played during special occasions, including Congregation. The 40-metre tower was built in 1968 in memory of B.C. pioneers, especially members of the Ladeen family who founded the town of the same name.

- When graduating students are presented to the chancellor he or she says "I admit you," welcoming them to convocation, the body of graduates that elects the chancellor and some university senators.

- Hoods and gowns worn by graduates are lined with colours that indicate the degree to be conferred. Members of the Congregation processions wear colourful academic regalia from around the world signifying their university of graduation and highest degree awarded.

- The gowns, hoods and mortarboards worn by graduating students evolved from clothes worn by European scholars in the Middle Ages.

The University Mace

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the installation of a President or Chancellor.

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid's heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the 'Macebearer' who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

O Canada

O Canada! Our home and native land.
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The true north strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.
The following list reflects 15 important historical moments in UBC's history:

**1908**
- Provincial legislature passes a new "University Act" establishing The University of British Columbia. It provides for a Chancellor, a Convocation, a President, and a Board of Governors to manage the university's administration, property and business affairs, and a Senate to administer academic matters.

**1910**
- After a province-wide survey, Point Grey is selected as the site of UBC's new campus.

**1913**
- Dr. Frank Fairchild Westbrook appointed first President of UBC.

**1915**
- The University of British Columbia opens in temporary headquarters at the former MUCBC facilities (nicknamed the "Fairview Shacks" after the surrounding neighbourhood) adjacent to Vancouver General Hospital. There are three faculties: Arts and Science, Applied Science and Agriculture. Student enrolment in September is 379 and total number of full- and part-time faculty is 34.

**1922**
- Tired of over-crowded conditions and inadequate facilities, UBC students launch a campaign known as "Build the University" to resume construction at the Point Grey campus. With 56,000 names on a petition for the government, 1,200 students with floats, bands and banners march through the streets of downtown Vancouver to the Point Grey campus. This pilgrimage became known as the "Great Trek," as it successfully convinced the Government of BC to resume work on the Point Grey site. The "Great Trek" represents one of the greatest efforts of an undergraduate student body in support of its university and still reflects the spirit and pride of UBC students.

UBC students march through the streets of Vancouver in the "Great Trek" of 1922.
1925
- UBC moves to Point Grey campus.

1940
- Students contribute to the construction of Brock Hall, the university's first student union building.

1951
- Student initiative leads to construction of War Memorial Gymnasium, as a memorial to the British Columbians who died serving their country.

1979
- UBC awards its 100,000th degree.

1989
- UBC launches the "World of Opportunity" fundraising campaign. Its goal is to raise $66 million in private and corporate donations, with the provincial government to provide equal matching funds, to pay for new buildings, facilities, programmes, and scholarships. By the time it ends in 1993, this overwhelmingly successful campaign raises a total of $262 million.

1993
- U.S. President Bill Clinton and Russian President Boris Yeltsin meet at UBC during the "Vancouver Summit.*
- Dr. Michael Smith receives the Nobel Prize.

1997
- Dr. Martha C. Piper becomes UBC's new President.
- The Asia-Pacific Economic Cooperation (APEC) Leaders' Meeting brings the heads of the 18 leading economies around the Pacific Rim to Vancouver. The economic leaders hold their centrepiece meeting at UBC's Museum of Anthropology. Members of the university community object to a number of APEC leaders being on the campus on human rights and moral grounds. A significant anti-APEC demonstration held at the meeting is controlled with considerable force by the RCMP.

2000
- UBC celebrates 75 years at the Point Grey campus—which has changed considerably over the years—as it confers close to 6,000 degrees to graduating UBC students.
WORDS FROM A UBC GRADUATE

Jean Coulthard, LL.D., was one of the first UBC students to study at the Point Grey campus in 1925. The following is an excerpt from her speech to the Annual Congregation of the University of British Columbia as she received an honorary degree in June 1988.

"...I'd like now to tell you just a little of my own history in relation to this splendid university. I attended First Year Arts the year the university opened on the Point Grey campus. There were no lovely gardens and planted avenues in those days. The campus itself—a few buildings—the middle section of today's library, the science, and many of what were then called "temporary buildings" (the big joke of course being that they're still in use). The grounds were a mess of building materials, rubble and just plain mud; in fact, the whole area had barely opened in time for the fall registration. Instead of the traditional pranks played on the incoming freshmen, my year found itself all commandeered to clean up the place (I vividly remember to this day a young woman who behaved exactly as a Sergeant Major, giving me a huge pail, mop, and cake of soap with orders to wash one of the floors in the mathematics building). We didn't entirely like this treatment but we nonetheless did it, as I think we all appreciated that were in at the beginning of UBC becoming a great intellectual centre in this province.

I was 17 when I came to UBC as an Arts student. I particularly remember my first course with the fine young lecturer Sally Murphy, later Mrs John Creighton. In those days we began with the poets of the First World War—Brook, Sassoon, Owen. What a magic world opened to me in these first fascinating lectures, and I'm sure that many of you can remember having the casements opened for you in a similar way. Now that you are graduating, I hope that you will find a way to extend your knowledge and inspiration to the younger generations coming along. As a teacher, this has been one of the great privileges of my life..."

Jean Coulthard passed away in the spring of 2000; she was 92 years.
TO THE MEMBERS OF THE GRADUATING CLASS OF 2001

On behalf of the Grad Class Council: Congratulations! You have achieved a distinguished goal and passed a milestone in your life.

Today you should reflect on the times you have spent at UBC. The education and life experiences will prove invaluable in the future. New opportunities and challenges will begin to present themselves and you will be prepared to rise to meet them, armed with the knowledge your UBC experience has provided.

You have all had a positive impact on our campus and community. UBC’s reputation and legacy will follow you forever. Cherish your experiences and memories of the friends you have made and the times you have shared. In closing, congratulations once again and please allow me to wish you all the best in the years to come.

Adrian Mitchell
President
Grad Class 2001

GRAD CLASS 2001 GIFT

As a parting gift to UBC, the Class of 2001 is presenting the SUB South Plaza Festival and Events Shelter. It is intended to be an extension to last year’s gift, which was a millennium monument to be placed outside the Student Union Building. The Shelter will face the grassy knoll and will serve as a staging area for the many student events that happen throughout the year.

GOODBYE, STUDENTS. HELLO, ALUMNI!

Congratulations, and welcome to an organization made up of 180,000 of your closest personal friends. When you cross the stage at convocation, the Chancellor admits you into the UBC Alumni Association, and you become a member for life.

We will keep you in touch with your alma mater through Trek, the Magazine of the University of British Columbia, with news and features on UBC research, teachers, students and alumni, through a quarterly e-mail newsletter, and through our on-line community.

We also organize events for you right here in Vancouver and around the world. Our Young Alumni group for recent grads meets frequently around the Lower Mainland for professional development, mentoring and just plain fun.

Our Alumni have formed branches as far away as London and Hong Kong and as close as Kamloops and Kelowna. We can put you in touch with our contact person in your new town, or, if there isn’t one, you can take on the job of forming a branch yourself.

Our membership card, the Acard, offers you discounts on goods and services on campus and off, and allows you to use the UBC Library (the best library in Western Canada), absolutely free.

Remember that UBC still belongs to you and that you are still very much a part of the university through your membership in the Alumni Association. Please keep in touch.

You can reach us at 604-822-3313, or visit our Website at www.alumni.ubc.ca.

A SINCERE “THANK YOU” TO GRADS

UBC strives to give students access to the best faculty, dynamic and topical programs of study, the latest resources and technology, and top-notch services and assistance.

Many of these items are made available through the generosity of alumni and friends of the university. For example, more than 20,000 donations were received last year, totalling $45 million. While basic support for university operations comes from tuition fees and the government, donors are key partners in helping UBC explore and provide new opportunities for students.

We are proud to have our alumni’s strong support. In fact, Maclean’s magazine ranked UBC 4th among universities throughout Canada in terms of alumni support in 2000—behind the leaders only by a very small margin.

This tradition of alumni support begins with our graduating students. UBC’s Class Act initiative helps students to work together to raise funds for a special parting gift from their graduating class to their Faculty or School. In past years, these gifts have included computer equipment, furniture for student social spaces, speaker endowments and scholarships.

The university wishes to express its appreciation to this year’s Class Act participants, and to others who have demonstrated their commitment to the ideals of the university. Your generosity contributes immeasurably to the vitality and strength of UBC.

For further information about gifts to UBC, please contact the Development Office at (604) 822-8900, or visit our website (www.supporting.ubc.ca).
SIGNIFICANT ACCOMPLISHMENTS & CONTRIBUTIONS

HONORARY DEGREE RECIPIENTS

Prominent in the professions and the community, honorary degree recipients are recognized for their distinguished achievements in their respective endeavours and for the contributions their accomplishments make to the life of the university and the betterment of society.

PRESIDENT’S SERVICE AWARD FOR EXCELLENCE RECIPIENTS

The President’s Service Award for Excellence is one of the highest honours a UBC staff or faculty member can receive. This award recognizes those individuals who go above and beyond the call duty—whose efforts make a difference to both the university and campus life. Recipients of this prestigious award receive a gold medal and $5,000. These awards were presented during Spring Congregation 2000.

KILLAM TEACHING PRIZE RECIPIENTS

Recipients of the Killam teaching prize—which recognizes the fundamental importance of teaching at the university—are selected by their faculties on the basis of recommendations from colleagues and from past and present students. Each award winner receives $5,000 from endowment sources. Although the winners come from diverse disciplines and use many different teaching methods, all share a gift for communication, a dedication to learning and a passion for making their subject matter come alive in the classroom. These prizes are recognized during Spring and Fall Congregation.
