## **CHANCELLOR'S MESSAGE**

---

Graduation is the most important day in the university calendar. It's the day when years of hard work, very little recognition and very little money is finally rewarded. As you walk across the stage to receive your degree, you have done more than just acquire the right number of credits. You have learned, grown and matured, and leave this institution with a real sense of accomplishment.

You will shape BC's economy and culture in the new century. You will operate our businesses, manage our resources, provide health care, teach our children, give political leadership and nourish our culture.

But UBC is no longer a regional university. Our research touches lives and economies around the world, and our students, faculty and staff are drawn from every area of the globe.

Because our university has developed a world perspective, and because we have embraced the needs, opportunities and

energies of the times, you have been prepared to approach issues with a global perspective.

The chief responsibility of any university is to prepare its graduates to take on the challenges and capitalize on the opportunities society presents. The education you have received at UBC is the best any university can offer, and has given you all the tools you need to make your mark and attain your goals.

I hope your time here has taught you the value of knowledge. I hope, too, that you have learned to recognize the opportunities presented by change, and that you have acquired the skills and courage to take advantage of that change.

Congratulations on your accomplishment.

**Allan McEachern**  
**Chancellor**

## **PRESIDENT'S MESSAGE**

---

Warm congratulations to you, the members of the Graduating Class of 2005!

You have seen many momentous events during your time at UBC, from wars in Afghanistan and Iraq to the rise of new pandemics like SARS and avian flu, or the devastation that came in the wake of the tsunami last December. Such dramatic developments often leave us feeling inadequate or helpless in the belief that we can have little or no influence on the crises that face our society.

At this moment, however, as you enter upon a new stage of life and experience, you should recognize that you can and will make a difference, because you are equipped with that most powerful of tools: an education.

Whether graduate or undergraduate, your programs have exposed you to the rigours of critical thinking, to the complexities of problem-solving, and to the need for risk-taking and imagination in the creation of new ideas. Your education has provided you with strong communication skills in a variety of media, and taught you the importance of teamwork and collaboration. You have encountered people and ideas from a wide variety of different backgrounds and cultures, in the process acquiring a new understanding of, and respect for, cultures and traditions that differ from your own.

As graduates of the University of British Columbia, you now have a unique opportunity to turn your hard-earned skills and knowledge to good use, to become involved in your society, and to offer your ideas and solutions with the confidence that they will be heard and respected.

Whether you move on to jobs in industry or the professions, in government or in academe, in business, non-profit organizations or the performing arts, you will be faced with challenges that call on the skills and insights that you have developed at UBC. These same qualities will also come into play as you learn to exercise the responsibilities of global citizenship and move into leadership roles. Society will look to you to help eradicate injustice, inequality, and poverty; it will be up to you to find solutions to the economic, political, and social problems that afflict us.

We live in an era of change, uncertainty, and conflict. At the same time, the world beyond UBC's gates offers challenges and opportunities that will stir your imagination. I am confident that in each member of the UBC Graduating Class of 2005 there lies the potential, not only to achieve personal and professional success, but also to help move society towards greater justice and prosperity for all. The future is yours—Tuum est.

## MUSQUEAM WELCOME

On behalf of the Musqueam Indian Band, the Musqueam Band Council welcomes the University of British Columbia's new graduates, their families and friends to the 2005 Annual Fall Congregation.

We are pleased to honour the graduates and extend our congratulations to each and every one of you. We are especially pleased to extend our welcome and congratulations to the increasing number of First Nations students who visit the university, and our traditional lands, for their education.

The accomplishments and contributions of each individual student build the foundation for their future as well as the future of the university and the larger community. These individual accomplishments reflect the talent and diversity among you. Today, the feeling of pride and accomplishment to accompany the completion of your course of study will add to each student's confidence in moving on to the next endeavour.

The University of British Columbia is situated within the heart of Musqueam Traditional Territory. These lands have always been a place for learning. In previous centuries, what is now the UBC campus was a centre for learning for Musqueam youth, who were instructed in culture, history, and tradition, and who in turn shared their knowledge with a new generation. Belief, knowledge, ritual, technological practices, were all handed down here from generation to generation – just as they are today to students from diverse communities and backgrounds.

Musqueam thanks the University of British Columbia and President Martha Piper for continuing to recognize these lands and the tradition of learning associated with them as an integral part of the history and well being of the Musqueam community. We also thank UBC for continuing to seek a partnership with Musqueam as co-host for special initiatives and ceremonies.

We are pleased that our lands continue to be a place for learning and sharing. We are supportive of the university's many programs and initiatives to form partnerships with the Musqueam and other First Nations communities. Education brings us all together, and each of the students convocating today is an inspiration to us all. It is our hope that after graduation you will continue contributing to the university, to our communities, to the well being of society and in doing so you will bring about positive change.

Congratulations to all University of British Columbia 2005 Graduates. We wish you further success for your future.

## UBC'S DISTINGUISHED HISTORY OF GRADUATION

UBC's first Congregation ceremony took place on May 4, 1916 in the Hotel Vancouver ballroom. There were 41 graduates.

- UBC's first graduate degrees were conferred in 1919. The first degrees in Agriculture were conferred in 1921. The first Bachelor of Applied Science in Nursing and Forestry degrees were awarded at the eighth Congregation in 1923.
- UBC students now graduate from 12 faculties: Agricultural Sciences, Applied Science, Arts, Commerce and Business Administration, Dentistry, Education, Forestry, Graduate Studies, Law, Medicine, Pharmaceutical Sciences and Science.
- Each year since 1919, the graduating class has planted a tree to mark Congregation.
- The first Congregation ceremony on the present day campus was held in 1927.
- The Ladner Clock Tower in front of Main Library houses a 330-bell carillon which is played during special occasions, including Congregation. The 40-metre tower was built in 1968 in memory of B.C. pioneers, especially members of the Ladner family who founded the town of the same name.
- When graduating students are presented to the chancellor he or she says "I admit you," welcoming them to convocation, the body of graduates that elects the chancellor and some university senators.
- Hoods and gowns worn by graduates are lined with colours that indicate the degree to be conferred. Members of the Congregation processions wear colourful academic regalia from around the world signifying their university of graduation and highest degree awarded.
- The gowns, hoods and mortarboards worn by graduating students evolved from clothes worn by European scholars in the Middle Ages.

## THE UNIVERSITY MACE

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the Installation of a President or Chancellor.

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid's heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the 'Macebearer' who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

## O CANADA

O Canada! Our home and native land,  
True patriot love in all thy sons command.  
  
With glowing hearts we see thee rise,  
The true north strong and free!  
  
From far and wide, O Canada,  
We stand on guard for thee.  
  
God keep our land glorious and free!  
O Canada, we stand on guard for thee,  
O Canada, we stand on guard for thee.

# UBC's IMPORTANT HISTORICAL MOMENTS

The following list reflects  
19 important historical  
moments in UBC's history:

1908

It provides for a Chancellor, a Convocation, a President, and a Board of Governors to manage the university's administration, property and business affairs, and a Senate to administer academic matters.

1910

- After a province-wide survey, Point Grey is selected as the site of UBC's new campus.

1913

- Dr. Frank Fairchild Wesbrook appointed first President of UBC.

1915

- The University of British Columbia opens in temporary headquarters at the former MUCBC facilities (nicknamed the "Fairview Shacks" after the surrounding neighbourhood) adjacent to Vancouver General Hospital. There are three faculties: Arts and Science, Applied Science and Agriculture. Student enrolment in September is 379 and total number of full- and part-time faculty is 34.

1922

- Tired of over-crowded conditions and inadequate facilities, UBC students launch a campaign known as "Build the University" to resume construction at the Point Grey campus. With 56,000 names on a petition for the government, 1,200 students with floats, bands and banners march through the streets of downtown Vancouver to the Point Grey campus. This pilgrimage became known as the "Great Trek," as it successfully convinced the Government of BC to resume work on the Point Grey site. The "Great Trek" represents one of the greatest efforts of an undergraduate student body in support of its university and still reflects the spirit and pride of UBC students.

## 1989

- UBC launches the "World of Opportunity" fund-raising campaign. Its goal is to raise \$66 million in private and corporate donations, with the provincial government to provide equal matching funds, to pay for new buildings, facilities, programmes, and scholarships. By the time it ends in 1993, this overwhelmingly successful campaign raises a total of \$262 million.

## 1993

- U.S. President Bill Clinton and Russian President Boris Yeltsin meet at UBC during the "Vancouver Summit."
- Dr. Michael Smith receives the Nobel Prize.

## 1997

- Dr. Martha C. Piper becomes UBC's new President.
- The Asia-Pacific Economic Cooperation (APEC) Leaders' Meeting brings the heads of the 18 leading economies around the Pacific Rim to Vancouver.

## **SUSTAINABILITY PLEDGE**

---

Today, scores of North American universities and colleges, including Harvard, Stanford, Princeton, and now UBC, are part of a growing movement to redefine the purpose of education. At each of these schools, students are sending a strong message to future employers and society. They are pledging to look for a career and lifestyle with a conscience - for ways they can incorporate social, ecological, and economic sustainability into their professional and personal lives.

The University's mission highlights the importance of a UBC education: "The graduates of UBC will have developed strong analytical problem-solving and critical thinking abilities; they will have excellent research and communication skills; they will be knowledgeable, flexible, and innovative. They will recognize the importance of understanding societies other than their own. As responsible citizens, the graduates of UBC will value diversity, work with and for their communities, and be agents of positive change".

One of UBC's targets is to develop programs encouraging student leadership and global citizenship. By signing the Pledge, students have the opportunity to demonstrate their commitment to being responsible and engaged citizens.

The Pledge isn't just about commitment, though. It's about recognizing and supporting the great work students are already doing, and making it easier for new students to become engaged and contribute to UBC and the greater community. From the first day at UBC through the final year, the Pledge program offers networking, course planning, life planning, and leadership and volunteer resources.

*"I pledge to explore and take into account the social and ecological consequences of my decisions. Furthermore, I pledge to use the knowledge I gain while at UBC to improve the sustainability of the communities in which I live, learn, and work."*

---

This program was proposed by students, is managed by students, and is supported by the Campus Sustainability Office and the Student Development office. If you are a UBC student and would like to sign the Pledge, or if you'd just like to find out more, please visit:

## **GRAD CLASS 2005 GIFT**

As a parting gift to the University of British Columbia, the Graduating Class of 2005 will contribute \$16,563.67 to the restoration of Norm Theatre in the Student Union Building.

## **GOODBYE, STUDENTS. HELLO, ALUMNI!**

Congratulations, and welcome to an organization made up of 160,000 of your closest personal friends. When you cross the stage at convocation, the Chancellor admits you into the UBC Alumni Association, and you become a member for life.

We will keep you in touch with your alma mater through Trek, the Magazine of the University of British Columbia, with news and features on UBC research, teachers, students and alumni, through a quarterly e-mail newsletter, and through our on-line community.

We also organize events for you right here in Vancouver and around the world. Our Young Alumni group for recent grads meets frequently around the Lower Mainland for professional development, mentoring and just plain fun.

Our Alumni have formed branches as far away as London and Hong Kong and as close as Kamloops and Kelowna. We can put you in touch with our contact person in your new town, or, if there isn't one, you can take on the job of forming a branch yourself.

Our membership card, the Acard, offers you discounts on goods and services on campus and off, and allows you to use the UBC Library (the best library in Western Canada), absolutely free.

Remember that UBC still belongs to you and that you are still very much a part of the university through your membership in the Alumni Association. Please keep in touch.

You can reach us at 604-822-3313, or visit our Website at [www.alumni.ubc.ca](http://www.alumni.ubc.ca).

## **A SINCERE "THANK YOU" TO GRADS**

UBC strives to give students access to the best faculty, dynamic and topical programs of study, the latest resources and technology, and top-notch services and assistance.

Many of these items are made available through the generosity of alumni and friends of the university. While basic support for university operations comes from tuition fees and the government, donors are key partners in helping UBC explore and provide new opportunities for students.

We are proud to have our alumni's strong support. This tradition of alumni support begins with our graduating students. UBC's Class Act initiative helps students to work together to fundraise for a special parting gift from their graduating class to their Faculty or School. In past years, these gifts have included computer equipment, furniture for student social spaces, speaker endowments and scholarships.

The university wishes to express its appreciation to this year's Class Act participants, and to others who have demonstrated their commitment to the ideals of the university. Your generosity contributes immeasurably to the vitality and strength of UBC.

For further information about gifts to UBC, please contact the Development Office at (604) 822-8900, or visit our website ([www.supporting.ubc.ca](http://www.supporting.ubc.ca)).
