The Chan Centre for the Performing Arts
I write on behalf of all my colleagues on the UBC Board of Governors to convey our warmest congratulations to you, the new UBC graduates of 2008!

I know that some of you will have mixed feelings about completing your program and leaving the university. Graduation is the point at which one crosses a threshold, leaving behind the familiar setting of classroom and laboratory to venture into a new and largely unknown territory. But you are not going unprepared: you have had the benefit of an education at one of the best universities in Canada—indeed, one of the best in the world (UBC consistently ranks among the 50 top universities in world rankings), and you will be ready to meet any new challenge with confidence and enthusiasm.

Whether as a graduate student or as an undergraduate, at UBC, you have had many opportunities to sharpen your critical and analytical skills, to acquire professional training, to test problems and come up with solutions. Now has come the moment when you can put what you have learned into practice and make your own contributions to the betterment of society.

Whatever you choose to do next, your UBC degree will reflect the fact that you possess, not only the knowledge of your discipline, but also the qualities that distinguish a responsible citizen: tolerance and open-mindedness, a desire to help others, and a readiness to work for a civil and sustainable society.

These were the values held dear by our late Chancellor, Dr. Allan McEachern, who died earlier this year, and whose loss has been keenly felt around the University. Dr. McEachern was a jurist of great distinction, and served his native province as Chief Justice of both the Supreme Court of BC and the BC Court of Appeal. As a UBC alumnus, he was always intensely proud of his alma mater, and did everything in his power to promote the University’s best interests. He took particular pleasure in the graduation ceremonies, and had a kind word for every one of the thousands of new graduates he welcomed into Convocation each year.

Dr. McEachern will be succeeded by Ms. Sarah Morgan-Sylvester, who was elected Chancellor earlier this year and begins her three-year term in July 2008. She too is a UBC graduate of great distinction, serving as Chair of the Vancouver Fraser Port Authority and B.C. Women's Hospital and Health Centre Foundation, as well as being a member of David Suzuki Foundation’s National Business Advisory Council. We welcome her into our midst, and look forward to working with her for the benefit of everyone in the UBC community.

I know that our Chancellor-elect joins me in wishing all our new graduates the greatest success in their future careers, and in expressing the hope that this university will always have a special place in your affections.

Brad Bennett

**President’s Message**

My warmest congratulations to all members of the Graduating Class of 2008!

Like all rites of passage, graduation marks both a culmination and a new beginning. The ceremony is a public acknowledgement of a candidate's successful completion of a lengthy and rigorous preparation, at the same time, it is a signal to the world that the graduate is now ready to take on new responsibilities, meet new and complex challenges, and take his or her place in society as a fully contributing member.

Universities take graduation very seriously, and so they should for the graduation ceremony, or Congregation as it is known at UBC. Vancouver, is the most important event in the academic year. It brings us together, regardless of our disciplines, primarily to celebrate the achievements of our current group of graduating students, but also to reinforce our link with centuries-old traditions of teaching and learning. Such occasions enable us to give voice to the values that our university represents, including excellence, integrity, a thirst for knowledge, and a determination to use that knowledge to serve society.

As graduates of UBC, you will be joining Convocation, the body of UBC grads that has grown since our first congregation in 1916 to number over 250,000 people. Among that body have been parliamentarians and pop singers, architects and artists, teachers, doctors, broadcast journalists—it's hard to imagine a profession in which UBC graduates have not made a significant impact, both in Canada and around the world. Now it's your turn to make a choice and a contribution, and to use your education, not only for your own benefit, but for the benefit of society as a whole.

To some that may appear to be an impossible task—how can an individual hope to make any difference to a world beset by such seemingly insoluble problems as global warming, dwindling resources, endless military conflicts, or the aids pandemic? You might be forgiven for feeling inadequate in the face of such challenges and unable to effect any significant change. And yet you can make a change—and you will. Your education has given you the critical tools and the professional skills, the ability to develop and communicate your ideas, and an understanding of other cultures, that will help you to rise above your own uncertainties to take leadership roles and find solutions where others may see only problems.

Whatever choices you make, whatever career you choose or path you take in the future, I hope you will look back with pleasure on your experience at UBC and maintain contact with us in one way or another, perhaps as a member of the UBC Alumni Association. You will always be welcome here, and we look forward to learning about your personal and professional achievements as you build on the strong foundation provided by your UBC degree.

On behalf of the faculty and staff at UBC Vancouver, I offer warmest congratulations to all the members of the 2008 graduating class.

Stephen J. Toope

Musqueam Welcome

On behalf of the Musqueam Indian Band, the Musqueam Band Council welcomes the University of British Columbia’s new graduates, their families and friends to the 2008 Annual Spring Congregation.

We are pleased to honour the graduates and extend our congratulations to each and every one of you. We are especially pleased to extend our welcome and congratulations to the increasing number of First Nations students who visit the university, and our traditional lands, for their education.

The accomplishments and contributions of each individual student build the foundation for their future as well as the future of the university and the larger community. These individual accomplishments reflect the talent and diversity among you. Today, the feeling of pride and accomplishment to accompany the completion of your course of study will add to each student’s confidence in moving on to the next endeavor.

The University of British Columbia is situated within the heart of Musqueam Traditional Territory. These lands have always been a place for learning. In previous centuries, what is now the UBC campus was a centre for learning for Musqueam youth, who were instructed in culture, history, and tradition, and who in turn shared their knowledge with a new generation. Belief, knowledge, ritual, technological practices, were all handed down from generation to generation – just as they are today to students from diverse communities and backgrounds.

Musqueam thanks the University of British Columbia and President Stephen Toope for continuing to recognize these lands and the tradition of learning associated with them as an integral part of the history and well being of the Musqueam community. We also thank UBC for continuing to seek a partnership with Musqueam as co-host for special initiatives and ceremonies.

We are pleased that our lands continue to be a place for learning and sharing. We are supportive of the university’s many programs and initiatives to form partnerships with the Musqueam and other First Nations communities. Education brings us all together, and each of the students convocating today is an inspiration to us all. It is our hope that after graduation you will continue contributing to the university, to our communities, to the well being of society and in doing so you will bring about positive change.

Congratulations to all University of British Columbia 2008 Graduates. We wish you further success for your future.

Description of President’s Stole

The Salish people are well known for being beautiful weavers along the west coast. Their weaving’s were used for clothing, sitting mats, and gifts. It also indicates wealth; the more blankets and gifts you gave away shows everyone your wealth.

I decided to design and weave the stole for the sole purpose in sharing the importance and wealth of the Salish people here at Musqueam. It’s now a gift for the President and the student’s at UBC to share with each other. I hope it also relays the significance of sharing amongst each other.

The white sheep wool shows the weaving techniques still used today and the black material shows the salish form lines.

My name is Chrystal Sparrow and I come from the Musqueam Band. I’m a contemporary salish artist. My art mediums are: wood carvings, prints, jewellery, clothing and weaving’s. I’m working on many art pieces for 2010 at the present time.

Congregation or Convocation?

People often ask why UBC calls its graduation ceremonies “Congregation”. There are no records to say why this term was originally adopted but it has been used by UBC since its first graduation ceremonies in 1916 and is believed to originate from its use in English institutions such as Oxford and Cambridge. According to Wikipedia, “a congregation is an assembly of people for a given purpose; with respect to a university, it is a formal meeting of senior members of the University. Examples include the Regent House in the University of Cambridge and the House of Congregation and the Ancient House of Congregation in the University of Oxford. Stemming from this tradition, in some universities a graduation ceremony is known as a congregation, even if the ceremony is not a meeting of the university’s governing body in the traditional sense.”

For whatever reason, UBC adopted this term for its graduation ceremonies in 1916 and has used it ever since when inviting faculty, students and guests to the Annual and more recently the Spring and Fall graduation ceremonies. UBC is unique amongst Canadian institutions in that it appears to be the only institution that still uses this term.

The term ‘Convocation’ at UBC is more often used to describe a group of people – defined by the University Act – including the Chancellor, President, members of the Senate, all faculty members and all graduates of the University. The Convocation, through the Chancellor who serves as its chair, confers degrees, including honorary degrees, and awards diplomas and certificates of proficiency.

In Fall 2007, UBC Vancouver Senate reconfirmed its preference to maintain the tradition of using the term ‘Congregation’ for its graduation ceremonies. In Spring 2008, the UBC Okanagan Senate passed a motion that “Convocation be adopted as the name for meetings of the UBC convocation held at UBC Okanagan for the purposes of conferring degrees, effective June 2008.”

Did you know:

- UBC’s first Congregation ceremony took place on May 4, 1916 in the Hotel Vancouver ballroom. There were 41 graduates.
- UBC’s first graduate degrees were conferred in 1919. The first degrees in Agriculture were conferred in 1921 and the first Bachelor of Applied Science in Nursing and Forestry degrees were awarded at the eighth Congregation in 1923.
- Every year since 1979, the graduating class has planted a tree on campus.
- The first Congregation ceremony on the present day campus was held in 1927.

The University Mace

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the Installation of a President or Chancellor.

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid’s heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the ‘Macebearer’ who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

O Canada

Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Terre de nos aieux,
Ton front est caint de fleurons glorieux!
Car ton bras sait porter l’épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempe,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.
UBC's Important Historical Moments

The following list reflects 21 important historical moments in UBC's history:

1908

- Provincial legislature passes a new "University Act" establishing The University of British Columbia. It provides for a Chancellor, a Convocation, a President, and a Board of Governors to manage the university's administration, property and business affairs, and a Senate to administer academic matters.

1910

- After a province-wide survey, Point Grey is selected as the site of UBC's new campus.

1913

- Dr. Frank Fairchid Westbrook appointed first President of UBC.

1915

- The University of British Columbia opens in temporary headquarters at the former MUCBC facilities (nickname the "Fairview Shacks" after the surrounding neighbourhood) adjacent to Vancouver General Hospital. There are three faculties; Arts and Science, Applied Science and Agriculture. Student enrollment in September is 379 and total number of full and part-time faculty is 34.

1922

- Tired of over-crowded conditions and inadequate facilities, UBC students launch a campaign known as "Build the University" to resume construction at the Point Grey campus. With 56,000 names on a petition for the government, 1,200 students with floats, bands and banners march through the streets of downtown Vancouver to the Point Grey campus. This pilgrimage became known as the "Great Trek," as it successfully convinced the Government of BC to resume work on the Point Grey site. The "Great Trek" represents one of the greatest efforts of an undergraduate student body in support of its university and still reflects the spirit and pride of UBC students.

"STEPS* FORWARD supports young adults with intellectual disabilities in auditing courses and participating in campus activities at colleges and universities in British Columbia. Over a 4-5 year period these young adults are supported in the educational, athletic, social and other life-defining challenges of student life in the same post-secondary environment as their non-disabled peers. **Don't Say Goodbye, Say Hello!**

Graduation doesn't mean you have to say goodbye. As you cross the stage and receive your degree, you’re following in the footsteps of more than 250,000 UBC alumni. With upwards of 55 alumni networks worldwide, UBC grads can make the most of their connections and enjoy the benefits of membership.

- Trek Magazine three times a year and the monthly *Grad Gazette* e-newsletter will keep you up to date with campus news and research.
- Year-round events will help you network, pick up practical advice, or keep your grey matter trim.
- An AC Card gives you access to UBC's library, as well as many discounted services.

You can learn more about these and the many other programs and services available to alumni, as well as update your contact information, by visiting our website at www.alumni.ubc.ca or calling 604-822-3313 (toll free: 800-883-3088).

We hope your UBC degree will serve you well, no matter where in the world your adventures take you. Congratulations on a remarkable achievement and don’t forget to stay in touch.

**A SINCERE “THANK YOU” TO GRADS**

UBC strives to give students access to the best faculty, dynamic and topical programs of study, the latest resources and technology, and top-notch services and assistance.

Many of these items are made available through the generosity of alumni and friends of the university. While basic support for university operations comes from tuition fees and the government, donors are key partners in helping UBC explore and provide new opportunities for students.

We are proud to have our alumni’s strong support. This tradition of alumni support begins with our graduating students. UBC’s Class Act initiative helps students to work together to fundraise for a special parting gift from their graduating class to their Faculty or School. In past years, these gifts have included computer equipment, furniture for student social spaces, speaker endowments and scholarships.

The university wishes to express its appreciation to this year’s Class Act participants, and to others who have demonstrated their commitment to the ideals of the university. Your generosity contributes immeasurably to the vitality and strength of UBC.

For further information about gifts to UBC, please contact the Development Office at 604 822-8900, or visit our website www.supporting.ubc.ca.

**UBC Centenary: 1908-2008**
