NOVEMBER 28-30

THE CHAN CENTRE FOR THE
PERFORMING ARTS

TUUM EST

Dear Graduand,

Your graduation began long before this day.

It began when you made the choice to study that extra hour, dedicate yourself more deeply, and strive to reach for the degree you had chosen to fully commit your life to pursuing.

Many of the people that helped you arrive here today are seated beside you—friends, family, classmates—while others are thinking of you from afar.

We are honoured to have given you a place to discover, inspire others and be challenged beyond what you thought was possible.

We hope you know, we will always be that place for you.

Yours,

UBC

The UBC graduation journey has been forged by the spirit of the university's motto, *Tuum Est*, (meaning 'it is yours') since 1915. Today, you, the graduating class of 2018, now shape UBC's history by making it your own.

1916

One of the first graduating classes was the Arts Class of 1916 pictured here at a party at the home of Mary Wilons. In UBC's first year, there were only three faculties: Arts, Applied Science and Agriculture with 379 registered students and 34 faculty members.

1920s

The twenties saw the student-led Great Trek to claim UBC's Point Grey campus and establish the university as a place of mind for students the world over. The AMS incorporated as a non-profit society and the university began awarding its first graduate degrees to students. In the *Ubysey*, published in September 23, 1925, students described the new campus with a sense of wonder: "We are dazed with the appearance of architectural cleanliness and bewildered by our lineal freedom."

1940s

The forties were an era of tremendous change at the university as both students and faculty embraced the war effort. In 1943, new President Norman Mackenzie began in earnest to expand the university and new departments were formed along with new buildings to house them including Brock Hall, the first student union building. By the 1950's, UBC had established itself as a comprehensive university and top choice for students in BC and beyond.

1960s

Student numbers continued to escalate alongside the scholarly activities that began to define UBC as a leader in research. The campus was alive with sixties counterculture and a sixth president of UBC was elected by the name of Dr. Walter Gage. New student residences were created to respond to the expanding student body as well as a new student union building. Students gain influence at the university and are elected to the University Board of Governors for the first time.

1980s

With over 34,000 students registered at the beginning of the eighties, UBC began attracting scholars from all over the world. Engineering students were in the news frequently for their pranks, which included the famous Ladner Clock Tower stunt in which students pulled off hoisting a white Volkswagen Bug onto the top of the tower. Dr. Martha Piper was elected President in 1997 and ushered in an era of international engagement that saw UBC step onto the world stage as an educator and global centre for research excellence.

2018

Close to 13,000 students will become the Class of 2018. They will go on to join the over 340,000 alumni who have successfully graduated from UBC and continue their journey as treasured members of the UBC community.

The University Mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during the congregation ceremonies but also during the Installation of a President or Chancellor.

THE UNIVERSITY MACE

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid's heavy workload, he suggested that George Norris be asked to help design and carve the Mace. The planning of the Mace took some time and a final design was not approved until 1959.

Norris carved the Mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The Mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the Mace in 1959 and it was first used at the Fall Congregation where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

Today the Mace is carried by the 'Macebearer' who leads the Platform Party, which includes the Chancellor, the President, and other dignitaries, onto the stage for the Congregation ceremonies.

REGALIA COLOURS

The hoods, gowns and hats worn by graduates are lined with colours to indicate the degree to be conferred, a tradition dating back to the Middle Ages when the first universities were founded.

GRAD CLASS LEGACY

UBC students have created a rich legacy of gifts and donations to the UBC Vancouver campus. Since 1919, the graduating class has held a Tree Planting Ceremony on campus.

The 2018 Grad Class tree is a London Plane Tree (*Platanus acerifolia*), located at the Northwest corner of East Mall and University Boulevard.

The tradition of the Grad Class Gift to the University began in 1926 with the presentation of a trophy case designed to house athletic and literary awards. Since that time, each successive graduating class has chosen a gift or series of gifts to enhance the campus.

The 2018 Grad Class gift is a commissioned LGBTQTTI (Pride and Trans) art installation which has been placed outside the NEST. The goal is to foster inclusivity by proclaiming UBC and UBC's public spaces as positive spaces. The gift will also provide financial support to each of the undergraduate societies in order to promote campus-wide student engagement. The total value of the gift is \$20,000.

On behalf of all UBC alumni, it is my pleasure to welcome graduates and your families and friends on what we hope is a joyful occasion.

No doubt you have been asked: "What will you do after university?" Some of you have made clear choices about what comes next. Others may be less certain, but as graduates of UBC, you are justifiably optimistic that compelling opportunities are just around the corner.

There appears to be consensus among writers and philosophers—and parents—that it is choice rather than fate which determines where the human journey leads. Perhaps Ralph Waldo Emerson said it most succinctly: "The only person you are destined to become is the person you decide to be."

But as you embark on the next leg of your journey, I encourage you to be aware that the learning process is still young. Throughout our lives we make discoveries that stimulate new interests and new ambitions. Such is the wonderment of fate—it is often a welcome stimulus that opens our eyes to previously unforeseen opportunities for success and fulfillment, even on the part of those who are confident in the choices they have already made about the future.

But some choices should never be altered, irrespective of what fate has in store for us. Chief among these are the principles by which we choose to live. Indeed, ours is a world rich in information and opportunity, but it is also a world that has grown increasingly complex, and one whose destiny will be shaped by important choices on the part of all of us.

As alumni of UBC, I hope we are all uniformly proud of our university's reputation for adhering to principles of mutual respect, equity and sustainability, and that these remain our own chosen principles at every juncture on the road ahead. Let us never lose sight of how our actions affect the natural world, nor of the necessity of respectful and mutually beneficial engagement with people of all cultures, including the indigenous peoples of Canada.

As graduates of one of the world's finest universities, it is incumbent upon all of us to be unwavering in our choices to be contributors to a just, compassionate and sustainable world. As for fate, have no fear. The journey has only just begun, and there is every chance that the unforeseen will be extraordinary!

Warmest congratulations to all.

— LINDSAY GORDON, BA'73, MBA'76

Congratulations! Graduation is a momentous day in your life. It is a time to look back at all you've accomplished and a time to look ahead to what's next.

Congratulations! Graduation is a momentous day in your life. It is a time to look back at all you've accomplished and a time to look ahead to what's next.

I hope that when you do look back on your time at UBC, you will do so with fondness, and that when you look ahead, you will see UBC as a part of your future. You will always be welcome here, and we look forward to hearing about your personal and professional achievements as you build on the foundation provided by your UBC degree.

As new graduates, you are joining a large group of remarkable people who have preceded you through this ceremony. Today, the graduates of UBC excel in practically every field of human endeavor. Three graduates have served as Prime Minister of Canada—including the incumbent Justin Trudeau. Seventy graduates have been awarded the Rhodes Scholarship and 65 graduates have won an Olympic medal. Our alumni include scientists, inventors and entrepreneurs, educators, activists, artists, writers and humanitarians. Wherever they may be, our talented graduates are contributing to the wellbeing of their fellow citizens and solving some of the grand challenges that face humanity.

As you begin a new stage in your life and experience, you can be confident that you can and will make a difference, because like the UBC graduates who have gone before you, you possess the knowledge and skills that are conferred by an excellent education.

At every level and in every course you've taken here, you have been exposed to the rigours of critical thinking, to the complexities of problem-solving, and to the need for risk-taking and imagination in the creation of new ideas. You have developed strong communication skills in a variety of media, and learned the value of teamwork and collaboration. You have encountered people and ideas from a wide variety of backgrounds, in the process acquiring a new understanding of cultures and traditions that differ from your own.

As you cross the boundary between life as a student and life as an engaged and contributing member of society, do not be afraid to take up the challenges that await you; you will have many opportunities to turn your hard-earned expertise and knowledge to good use, to become involved in your society, and to offer your ideas and solutions with the confidence that they will be heard and respected.

In his address to UBC's initial graduating class in 1916, UBC's first President Frank Wesbrook encouraged students to make our world a better place in which to live. Today, a century later, I echo his remarks. I believe each of you has the capacity and skill to succeed and make our world a better place.

As you celebrate this transformational day with your family and friends, take a minute to reflect and think forward to the many ways you might help shape the world in the years ahead.

And one more thing. Graduation should never mean goodbye. As Professor Wesbrook also said at that time, *Tuum Est*—it's your university—today and always.

Best wishes,

— PROFESSOR SANTA J. ONO

— Words and Music by Prof. Stephen Chatman (2009)

Welcome, Class of 2018, to your new and honoured place among more than 340,000 UBC alumni in 140 countries. That's a powerful network to help build your life and make a real difference.

Many students don't realize that when you graduate from UBC, you automatically become a member of *alumni UBC* and your relationship with the University enters a whole new phase.

You might be surprised at just who your fellow alumni are, and their levels of accomplishment, influence and contribution to society. No matter where you go, you will find yourself in the company of amazing people who are making a real difference in the world—educators, artists, doctors, nurses, business and community leaders—UBC grads who will be your role models, mentors, colleagues and friends.

alumni UBC will help you connect through our email updates, website and social networks. You can participate in our mentoring, cultural, education and career-building programs, here in Vancouver and around the world through alumni networks as far away as London, Hong Kong and Seoul, or as close as Victoria, Calgary and Toronto.

On the Vancouver campus, the Robert H. Lee Alumni Centre is your alumni home for life, where you will always be welcome to make alumni connections, attend events, or book your own meetings or celebrations.

After the ceremony today, be sure to come celebrate with your friends and family at the Alumni Welcome Reception hosted at the Robert H. Lee Alumni Centre.

You can pick up your free alumni A-Card and find yourself on the Interactive UBC Alumni Wall too.

Remember our motto: *Tuum Est* (it's yours). UBC is still yours. It will always be yours. So reach out. Stay in touch. Ask for help when you need it. Lend a hand when you can. To learn more, visit alumni.ubc.ca.

Best wishes for the future,
