TUUM EST

Dear Graduand,

Your graduation began long before this day.

It began when you made the choice to study that extra hour, dedicate yourself more deeply and strive to reach for the degree you had chosen to fully commit your life to pursuing.

Many of the people that helped you arrive here today are seated beside you—friends, family, classmates—while others are thinking of you from afar.

We are honoured to have given you a place to discover, inspire others and be challenged beyond what you thought was possible.

Yours, UBC

We acknowledge that UBC's campuses are situated on the traditional, unceded, ancestral territories of the Musqueam, Squamish and Tsleil-Waututh, and in the territory of the Syilx Okanagan Nation.

Reception Following the Ceremony at the Robert H. Lee Alumni Centre

The UBC graduation journey has been forged by the spirit of the university's motto, *Tuum Est*, (meaning "it is yours") since 1915. Today, you, the graduating class of 2023, now shape UBC's history by making it your own.

1916

One of the first graduating classes was the Arts Class of 1916, pictured here at a party at the home of Mary Wilons. In UBC's first year, there were only three faculties: Arts, Applied Science and Agriculture, with 379 registered students and 34 faculty members.

1920s

The twenties saw the student-led Great Trek to UBC's new Point Grey campus, establishing the university as a place where students could help shape a better world. The AMS incorporated as a non-profit society and the university began awarding its first graduate degrees to students. In the *Ubyyssey*, published in September 23, 1925, students described the new campus with a sense of wonder: "We are dazed with the appearance of architectural cleanliness and bewildered by our lineal freedom."

1940s

The forties were an era of tremendous change at the university as both students and faculty embraced the war effort. In 1943, new President Norman MacKenzie began in earnest to expand the university, and new departments were formed along with new buildings to house them. These included Brock Hall, the first student union building. By the 1950s, UBC had established itself as a comprehensive university and top choice for students in BC and beyond.

1960s

Student numbers continued to escalate alongside the scholarly activities that began to define UBC as a leader in research. The campus was alive with sixties counterculture, and a sixth president of UBC was elected by the name of Dr. Walter Gage. New student residences were created to respond to the expanding student body, as well as a new student union building. Students gained influence at the university and were elected to the University Board of Governors for the first time.

1980s

With over 34,000 students registered at the beginning of the eighties, UBC began attracting scholars from all over the world. Engineering students were in the news frequently for their pranks, which included the famous Ladner Clock Tower stunt, in which students pulled off hoisting a white Volkswagen Bug onto the top of the tower. Dr. Martha Piper was elected President in 1997 and ushered in an era of international engagement that saw UBC step onto the world stage as an educator and global centre for research excellence.

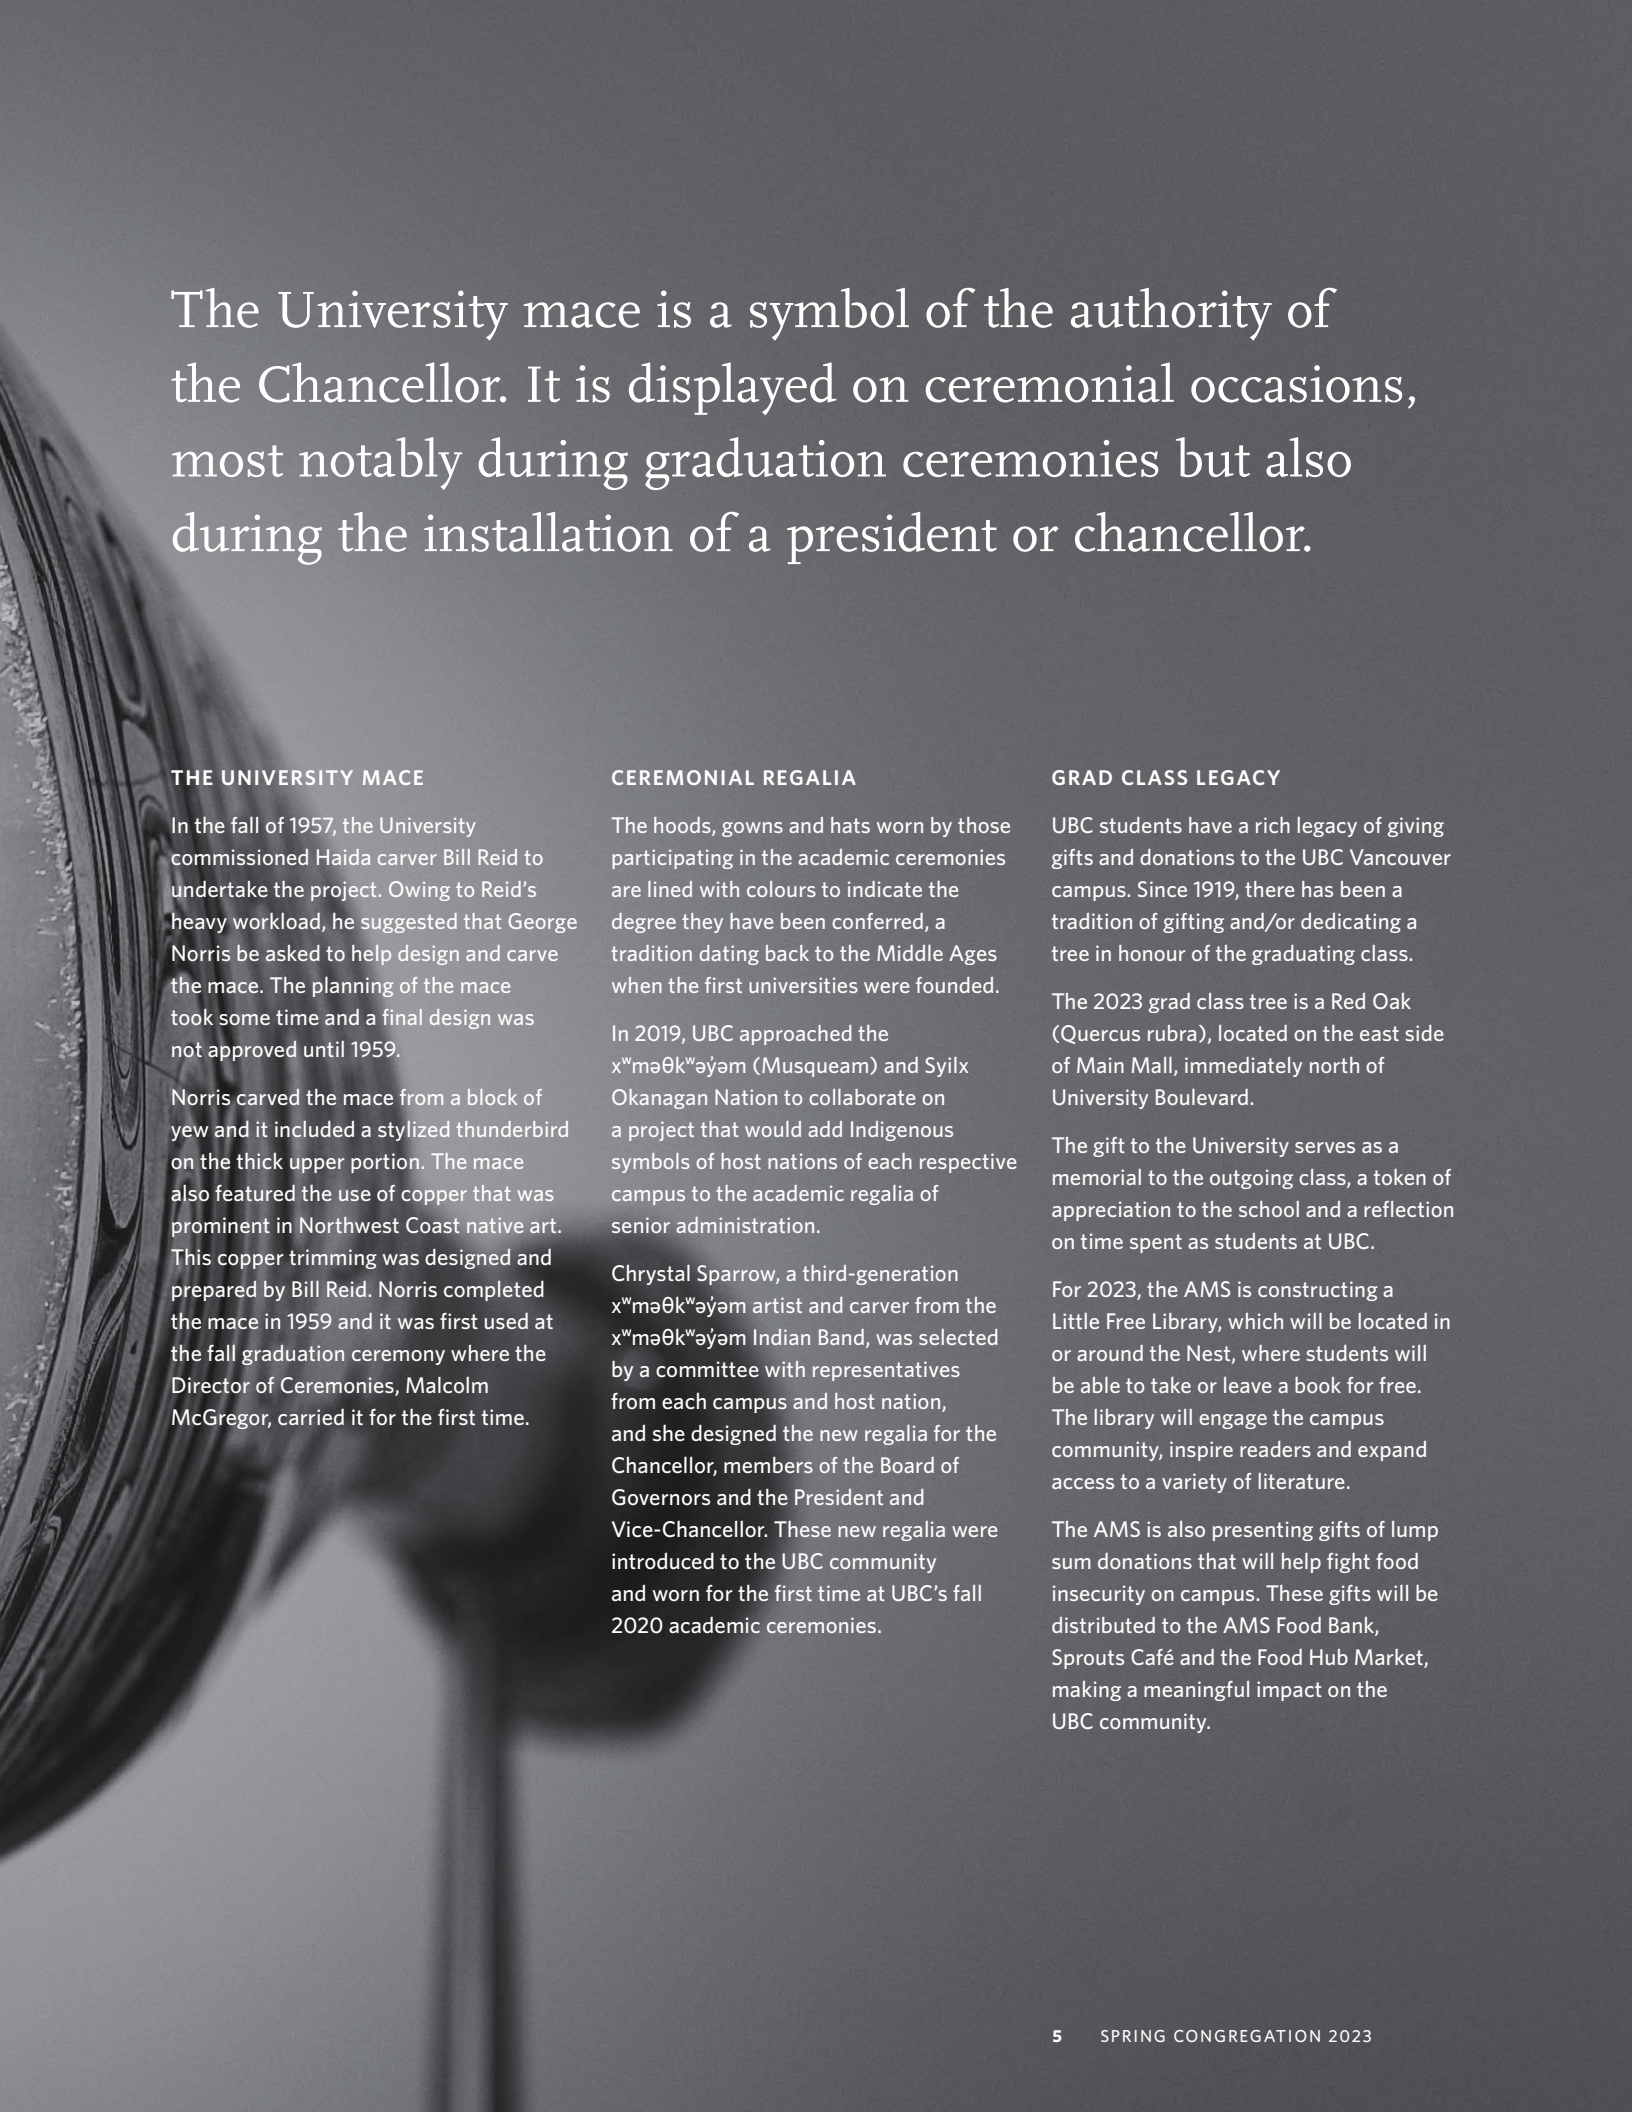

2000s

UBC's Okanagan campus was established in 2005 and in September of that year, 3,500 students started classes at the new institution alongside an opening ceremony celebrating the occasion. UBC's welcome in Syilx Okanagan territory was formalized with the signing of a Memorandum of Understanding which pledged to build long-term, collaborative relations.

2023

This year marks the 30th anniversary of both the First Nations Longhouse and Xwi7xwa Library on the UBC Vancouver campus. Opened in 1993, the Longhouse serves as a "home away from home" for Indigenous students, as well as an academic, social, spiritual and cultural hub. It's managed by the First Nations House of Learning, based within. The adjacent Xwi7xwa (pronounced *whei-wha*) Library is a centre for academic and community Indigenous scholarship and a branch of the UBC Library.

The University mace is a symbol of the authority of the Chancellor. It is displayed on ceremonial occasions, most notably during graduation ceremonies but also during the installation of a president or chancellor.

THE UNIVERSITY MACE

In the fall of 1957, the University commissioned Haida carver Bill Reid to undertake the project. Owing to Reid's heavy workload, he suggested that George Norris be asked to help design and carve the mace. The planning of the mace took some time and a final design was not approved until 1959.

Norris carved the mace from a block of yew and it included a stylized thunderbird on the thick upper portion. The mace also featured the use of copper that was prominent in Northwest Coast native art. This copper trimming was designed and prepared by Bill Reid. Norris completed the mace in 1959 and it was first used at the fall graduation ceremony where the Director of Ceremonies, Malcolm McGregor, carried it for the first time.

CEREMONIAL REGALIA

The hoods, gowns and hats worn by those participating in the academic ceremonies are lined with colours to indicate the degree they have been conferred, a tradition dating back to the Middle Ages when the first universities were founded.

In 2019, UBC approached the xʷməθkʷəy̓əm (Musqueam) and Syilx Okanagan Nation to collaborate on a project that would add Indigenous symbols of host nations of each respective campus to the academic regalia of senior administration.

Chrystal Sparrow, a third-generation xʷməθkʷəy̓əm artist and carver from the xʷməθkʷəy̓əm Indian Band, was selected by a committee with representatives from each campus and host nation, and she designed the new regalia for the Chancellor, members of the Board of Governors and the President and Vice-Chancellor. These new regalia were introduced to the UBC community and worn for the first time at UBC's fall 2020 academic ceremonies.

GRAD CLASS LEGACY

UBC students have a rich legacy of giving gifts and donations to the UBC Vancouver campus. Since 1919, there has been a tradition of gifting and/or dedicating a tree in honour of the graduating class.

The 2023 grad class tree is a Red Oak (*Quercus rubra*), located on the east side of Main Mall, immediately north of University Boulevard.

The gift to the University serves as a memorial to the outgoing class, a token of appreciation to the school and a reflection on time spent as students at UBC.

For 2023, the AMS is constructing a Little Free Library, which will be located in or around the Nest, where students will be able to take or leave a book for free. The library will engage the campus community, inspire readers and expand access to a variety of literature.

The AMS is also presenting gifts of lump sum donations that will help fight food insecurity on campus. These gifts will be distributed to the AMS Food Bank, Sprouts Café and the Food Hub Market, making a meaningful impact on the UBC community.

On behalf of more than 385,000 UBC alumni from around the world, it is my pleasure to bring greetings and congratulations to members of the graduating class.

Indeed, the completion of degree requirements exemplifies intelligence, discipline and resourcefulness. But beyond these traits, my greatest hope is that your university experience has taught you new ways of thinking, and specifically a greater understanding of the importance of reliable evidence in the pursuit of truth and informed opinion.

Irrespective of what program or degree you have completed, you have invariably been asked to examine divergent theories and then present your own conclusions along with evidence to support them. Indeed, the ability to find and present reliable evidence is the most important outcome of a university education.

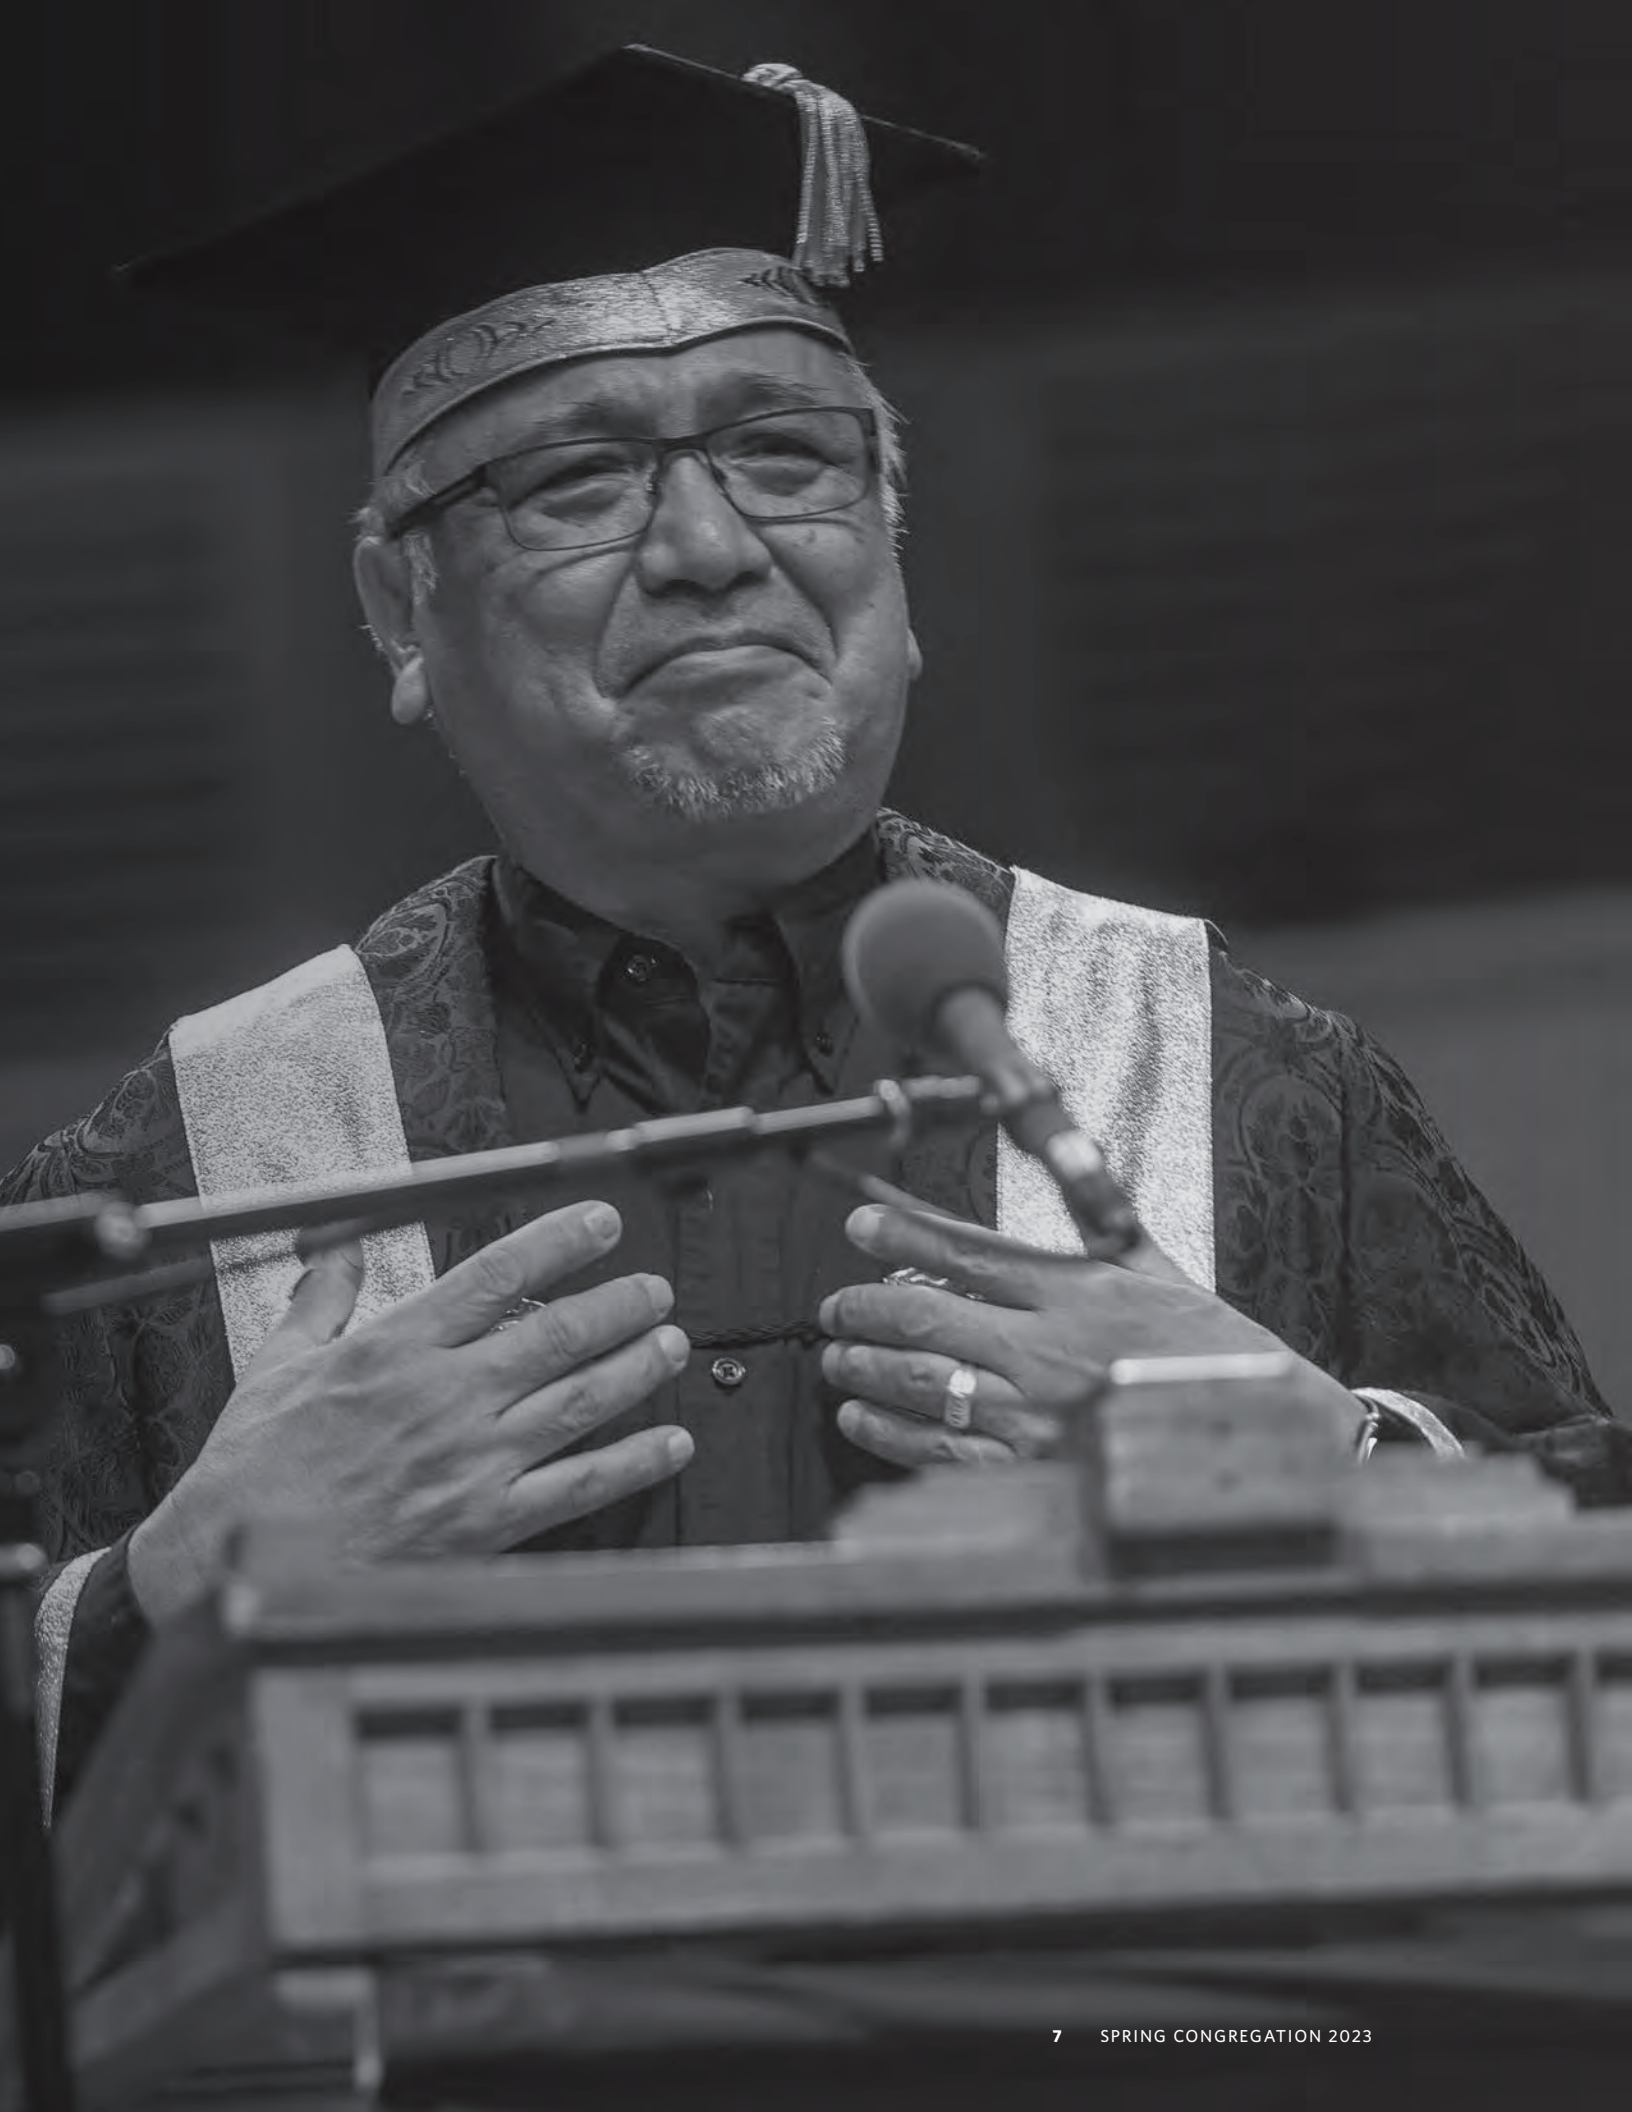

My challenge to you as UBC graduates is to continue to be truth seekers on the journey ahead, and to continue to refine your research skills as you navigate what may at times seem to be a turbulent world. You may pleasantly discover that these modern challenges can have a unique way of fostering greater measures of much-needed prudence and graciousness. But only if we are relentless in the

pursuit of truth, and of corresponding actions that serve the greater good of humankind. Only then can our spirit and our character truly prevail.

I also encourage you to regard your UBC graduation not as the end of a journey but as the beginning of a new one, as alumni of one of the world's most renowned centres of learning and research. We hope that you remain engaged with your university and your fellow alumni, and that you will work together with them to create a more just, compassionate and sustainable world.

Again, warmest congratulations and best wishes to all.

— THE HONOURABLE XWĒ LĪ QWĒL TĒL
STEVEN POINT, O.B.C., LL.B.'85, LL.D.'13
Chancellor

Congratulations graduates! Today marks a momentous day in your life. It is a day to reflect on your accomplishments and to look forward to the limitless possibilities that lie ahead.

As you look back on your time at UBC, I hope you feel a sense of pride and joy in all that you have achieved. And as you look to the future, I encourage you to embrace the opportunities that await you with open arms.

You are now part of a remarkable group of individuals who have graduated from this esteemed institution. From prime ministers to Rhodes Scholars, our alumni have made significant contributions to society in a wide range of fields.

You too have the knowledge and skills to make a difference in the world. Through critical thinking, problem-solving, risk-taking and imagination, you have developed the tools necessary to tackle the grand challenges facing humanity.

As you embark on the next stage of your journey, don't be afraid to take on new challenges and seize every opportunity that comes your way. Your hard-earned expertise and knowledge will be invaluable in making a positive impact in your communities and beyond.

Remember the words of UBC's first president, Dr. Frank Wesbrook, who urged students to make our world a better place. Today, I echo his sentiments and believe that each and every one of you has the capacity to succeed and make a difference.

As you celebrate this special day, I encourage you to reflect on the many ways you can contribute to the betterment of our world. And know that UBC will always be a part of your journey. *Tuum Est*—it is your university, today and always.

Congratulations once again, and best of luck on your future endeavours!

Honorary degrees recognize individuals who have made substantial contributions to society. Conferred *honoris causa*, “for the sake of honour,” these degrees are awarded as one of three types: Doctor of Laws, Doctor of Letters and Doctor of Science.

JoAnn Callender

JoAnn Callender has worked for decades to exhibit music of The Bahamas around the world. A renowned soprano soloist, she is also well regarded as a champion of Black excellence in the performing arts and for her long career as a writer, producer and director of stage productions that have been brought to international audiences. She is a Bahamian cultural ambassador and is dedicated to preserving a legacy of Bahamian music for future generations.

Morna Edmundson

Morna Edmundson is the Artistic Director of the world-renowned Elektra Women's Choir and EnChor Choir of Vancouver. As a choral conductor, administrator and builder, she has set a standard of excellence within her choirs that has been widely acknowledged in both performance and competition. Her professional reputation has propelled her into leadership positions on national and international choral governing bodies, while her generous mentorship, innovative programming and creative community engagement activities provide an inspirational legacy for the entire artistic community.

Roy Forbes

A mainstay at festivals and on concert stages for the past five decades, Roy Forbes maintains a wide-ranging career as a singer-songwriter, guitarist, recording artist, producer and broadcaster. Born in Dawson Creek, he moved to Vancouver in 1971 and soon became a fixture on Canada's music scene. His songs evoke a strong sense of Canadian place and experience, and his career has been celebrated with many awards, including an honorary degree from Northern Lights College and his induction into the BC Entertainment Hall of Fame. Still active in all facets of his career, his most recent album, *Edge Of Blue*, was released to critical acclaim in 2020.

Beatrice Little Mustache

ii naa sii pii taa kii Beatrice Little Mustache has served for over 38 years in various positions in the field of child and adult welfare at all levels of government—band, municipal, provincial and federal. At various times she served as a Social Allowance Worker and an Adult Care Coordinator with Piikani Nation Family Services, Provincial Child Welfare and the First Nations Health Consortium, all in the service of her Piikani First Nation community and the Treaty Seven First Nation communities of Alberta. She has long served as a Peigan Board of Education trustee, including 13 years as board chair.

David Morley, c.m.

David Morley has dedicated his professional life to humanitarian work, international development and children's rights. Most recently, as President and CEO of UNICEF Canada, he has successfully mobilized a growing number of Canadians to invest in the education and well-being of children in need around the world. He has also been the Executive Director of Doctors Without Borders/ Médecins Sans Frontières Canada, has taught at the Munk School of Global Affairs and Public Policy, and is currently Co-Chair of the Stephen Lewis Foundation and a Member of the Order of Canada.

Snxakila Clyde Tallio

A member of the Nuxalk First Nation, Snxakila Clyde Michael Tallio, completed years of traditional training with 15 Nuxalk elders to be initiated as an Alkw (a ceremonial speaker and knowledge keeper). A fluent Nuxalk speaker, Snxakila has dedicated the past 20 years to the revitalization of Nuxalk culture, language, and ceremonies. His work has made a lasting impact on Nuxalk education, stewardship, and governance and he has worked with museums, governments, and academic institutions from around the world. At present, Snxakila is the Cultural Director of the Nuxalk Nation, where he is managing the development of the Nation's first Big House in over 100 years.

UBC's 21-member Board of Governors comprises the Chancellor, the President, eleven persons appointed by the Lieutenant Governor, three faculty members elected by faculty, three full-time students elected by students and two people elected by and from the full-time employees of the university who are not faculty members.

By legislation, the board is responsible for the management, administration and control of the property, revenue, business and affairs of the university including the appointment of senior officials and faculty on the recommendation of the president. The governors represent diverse backgrounds, which provide valuable input during board deliberations.

O CANADA

O Canada
Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

HAIL UBC

Hail! to the Thunderbirds,
Hail! UBC,
Thunder and Lightning,
Onward to victory!
Hail! to the blue and gold,
Hail! UBC,
UBC forever!
Onward to victory!
— *Words and Music by Prof. Stephen Chatman (2009)*

That UBC has a pep song—let alone a newly composed one—may prompt some surprise, as university pep songs are rare in Canada. Originally written in 1931 by Arts student, trumpet player, and band leader Harold King, Hail UBC was widely performed at athletic events for decades. In 2007, Professor Stephen Chatman was charged with composing an updated version suitable not only as a pep song, but also a celebratory anthem for ceremonies and other campus events. It is played at the end of every graduation ceremony as the procession exits. Though the new Hail UBC retains only the title of the original 1931 version, it is a throwback to the pomp and bluster of the early 1900s, when such pep songs were in their heyday, and promises to give UBC students something to cheer along with for another hundred years!

Welcome, Class of 2023, to your new and honoured place among almost 400,000 UBC alumni in 150 countries. That's a powerful network to help build your life and make a real difference.

Many students don't realize that when you graduate from UBC, you automatically become a member of *alumni UBC* and your relationship with the University enters a whole new phase.

You might be surprised at just who your fellow alumni are, and their levels of accomplishment, influence and contribution to society. No matter where you go, you will find yourself in the company of amazing people who are making a real difference in the world—educators, artists, doctors, nurses, business and community leaders—UBC grads who will be your role models, mentors, colleagues and friends. *alumni UBC* will help you connect through our email updates, website and social networks.

You can participate in our mentoring, cultural, education and career-building programs, here in Vancouver and around the world through alumni networks as far away as London, Hong Kong and Seoul, or as close as Victoria, Calgary and Toronto.

On the Point Grey campus, the Robert H. Lee Alumni Centre is your alumni home for life, where you can make alumni connections, attend events or book your own meetings or celebrations.

Remember our motto: *Tuum Est* ("It is yours"). UBC is still yours.

It will always be yours. So reach out. Stay in touch. Ask for help when you need it. Lend a hand when you can.
